

## XIAOMI BHR7211GL

# Xiaomi Watch 2 Pro User Manual

Brand: **XIAOMI** | Model: **BHR7211GL**

## 1. INTRODUCTION

The Xiaomi Watch 2 Pro is an advanced smartwatch designed to integrate seamlessly into your daily life, offering a blend of sophisticated style and powerful functionality. Powered by Google Wear OS and the Snapdragon W5+ Gen 1 Platform, it provides direct access to Google apps on your wrist, advanced health and workout tracking, and robust connectivity options. This manual will guide you through setting up, operating, and maintaining your device to ensure optimal performance.

## 2. SETUP AND INITIAL USE

### 2.1 Charging the Device

Before first use, fully charge your Xiaomi Watch 2 Pro. The watch is equipped with a Lithium Polymer battery. Use the provided charging cable and connect it to a compatible power source. A full charge ensures the device is ready for setup and extended use.

### 2.2 Pairing with Your Smartphone

The Xiaomi Watch 2 Pro operates on the Android operating system and offers seamless connectivity. To pair your watch:

1. Ensure your smartphone is running a compatible Android version.
2. Download and install the official Xiaomi Wearable app from the Google Play Store.
3. Enable Bluetooth on your smartphone and open the app.
4. Follow the on-screen instructions in the app to detect and pair with your Xiaomi Watch 2 Pro.
5. Once paired, the watch will sync notifications from your smartphone.

The watch supports 4G and Bluetooth connectivity, along with independent eSIM functionality, allowing you to make and receive calls and messages directly from your wrist without needing your phone nearby.

## 3. OPERATING INSTRUCTIONS

### 3.1 Display Features

The Xiaomi Watch 2 Pro features a crystal clear 1.43-inch AMOLED display, providing bright and sharp visuals. Key information is visible at a glance, and the screen adapts to your viewing needs for optimal readability.

Figure 3.1: The Xiaomi Watch 2 Pro's vibrant 1.43-inch AMOLED display.

Figure 3.2: Side view highlighting the watch's sleek profile and control elements.

### 3.2 Phone Features

Stay connected with your smartphone through various integrated features:

- **Notification Sync:** The watch quickly syncs important notifications from your smartphone, keeping you informed of messages, incoming calls, and reminders.
- **Remote Photo Capture:** Control your smartphone's camera remotely and preview photos directly from your watch.
- **Independent eSIM Functionality:** With its independent eSIM, the Xiaomi Watch 2 Pro allows you to answer calls and messages without needing your phone. You can use your existing number or request an additional one.

Video 3.1: An official overview of the Xiaomi Watch 2 Pro, showcasing its design, features, and user interface. This video highlights the watch's integration with Google Wear OS and its various functionalities for daily use and fitness tracking.

### 3.3 Other Functions

The Xiaomi Watch 2 Pro offers a range of additional smart features:

- **Google Assistant:** Navigate with ease using Google Assistant voice navigation.
- **Google Apps:** Enjoy the power of Google apps directly on your wrist.
- **GPS Functionality:** Utilize the built-in 5-system dual-band GNSS for accurate location tracking during workouts and outdoor activities.

- **Advanced Health and Workout Tracking:** Perform versatile analysis of heart rate, SpO2, sleep, and more to monitor your well-being.

The image is a promotional advertisement for the Xiaomi Watch 2 Pro. The top half features a photograph of a person's arm and hand holding a tennis racket on a court. The person is wearing a light-colored polo shirt and a black Xiaomi Watch 2 Pro. The watch's circular AMOLED display shows a digital watch face with the time 00:25:28, heart rate 140 bpm, and SpO2 98%. An orange 'mi' logo is in the top right corner of the photo. The bottom half of the advertisement has a black background. On the left, the text reads: **XIAOMI Watch 2 Pro**, **1.43" AMOLED with Always-on-Display**, and *High resolution and exquisite watch faces*. On the right is a detailed product shot of the watch with a black dial, multiple sub-dials, and a brown leather strap. At the bottom left, small text states: *Product images may differ slightly from actual product.*

### 3.4 Design and Material

The Xiaomi Watch 2 Pro boasts a design that combines classic wristwatch aesthetics with modern smart features. It features a 46 mm dial with a Parisian-embossed bezel and a high-quality polished stainless steel body, ensuring both durability and premium aesthetics. The classic rotating crown offers intuitive navigation, complemented by two side buttons for additional functionality.

## 4. CARE AND MAINTENANCE

To ensure the longevity and optimal performance of your Xiaomi Watch 2 Pro, follow these care guidelines:

- **Cleaning:** Regularly wipe the watch and band with a soft, damp cloth. Avoid harsh chemicals or abrasive materials.
- **Water Resistance:** While the watch is designed for water resistance (e.g., swimming), avoid exposing it to hot water, steam, or high-pressure water jets.
- **Temperature:** Do not expose the watch to extreme temperatures (hot or cold) or sudden temperature changes.

- **Storage:** When not in use for extended periods, store the watch in a cool, dry place.

## 5. TROUBLESHOOTING

If you encounter issues with your Xiaomi Watch 2 Pro, try the following common troubleshooting steps:

- **Watch Not Turning On:** Ensure the watch is fully charged. Connect it to the charger and wait a few minutes before attempting to power it on.
- **Pairing Issues:** Check that Bluetooth is enabled on your phone and the watch. Restart both devices and try pairing again. Ensure the Xiaomi Wearable app is updated to the latest version.
- **Notifications Not Syncing:** Verify that notification permissions are granted to the Xiaomi Wearable app on your smartphone. Check the app's settings to ensure notifications are enabled for desired applications.
- **GPS Inaccuracy:** Ensure you are in an open area with a clear view of the sky for optimal GPS signal reception.
- **Compatibility:** Please note that the Xiaomi Watch 2 Pro is designed to work with Android devices and is not compatible with iPhone.

For persistent issues, refer to the official Xiaomi support website or contact customer service.

## 6. TECHNICAL SPECIFICATIONS

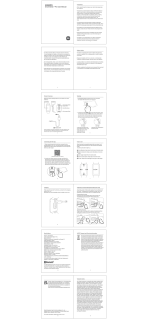

Feature	Specification
Product Dimensions	7.87 x 7.87 x 5.51 inches
Item Weight	4.6 ounces (130 Grams)
Item Model Number	BHR7211GL
Batteries	1 Lithium Polymer batteries required (included)
Standing Screen Display Size	1.43 Inches
Memory Storage Capacity	32 GB
Operating System	Android
Connectivity Technology	LTE
