Scosche BTR3

Scosche BTR3-SP BTFREQ Universal Bluetooth Wireless Audio Streaming and Handsfree Calling Receiver

Model: BTR3 | Brand: Scosche

Product Overview

The Scosche BTR3-SP BTFREQ is a versatile Bluetooth hands-free kit designed to bring wireless audio streaming and hands-free calling capabilities to your existing audio systems, including earbuds, headphones, car stereos, and home stereos. It features a built-in microphone with echo cancellation for clear conversations and is compatible with any Bluetooth-enabled smartphone, with a 3.5mm AUX output. The Bluetooth technology lets you listen to music wirelessly, up to 10 meters away and offers convenient controls for track switching, volume adjustment, power, and device pairing.

What's in the Box

- (1) BTR3 BTFREQ™ Clip Universal Portable Bluetooth 4.0 Wireless Audio Streaming and Hands-free Calling Receiver

Important Safety Information

- Handle batteries with care.
- Avoid using near other wireless devices to prevent interference.
- Keep away from extreme temperatures and humidity.

Key Features

- **Portable Bluetooth Hands-Free Kit:** Enables high-quality hands-free calls through your earbuds, headphones, car, or home stereo.
- **Universal Compatibility:** Connects with non-Bluetooth devices for audio streaming via 3.5mm AUX output.
- **Wireless Audio Streaming:** Stream music wirelessly up to 10 meters.
- **Advanced Audio:** Features echo cancellation and noise reduction for clear sound.
- **Intuitive Controls:** Multi-function button for switching tracks, adjusting volume, power on/off, and pairing.
- **LED Indicator:** Two LED lights indicate charging, connecting, or pairing status.
- **Extended Battery Life:** Provides up to 5 hours of music and calls, or up to 180 hours in standby mode.

- **Compact Design:** Small size with an attached clip for easy portability and storage.
- **Charging Ports:** Equipped with USB-C and USB-A charging ports.

Setup Guide

1. Initial Charging

Before first use, ensure the BTFREQ receiver is fully charged. Connect the device to a power source using a compatible USB cable. The LED indicator lights will provide charging status.

2. Connecting to an Audio Source

The BTFREQ receiver can connect to various audio systems:

- **For Car Stereo/Home Stereo/Headphones with AUX Input:** Plug the 3.5mm AUX jack from the BTFREQ receiver into the AUX input of your desired audio system.
- **For Headphones:** Plug your non-Bluetooth headphones directly into the 3.5mm output of the BTFREQ receiver.

The Scosche BTFREQ receiver can connect to various audio devices such as headphones, car stereos, and home stereos via an auxiliary port.

Transform any wired headphones into Bluetooth headphones by connecting them to the BTFREQ receiver, which can be conveniently clipped to clothing.

3. Bluetooth Pairing

1. Ensure the BTFREQ receiver is powered on. The LED indicator will flash, indicating it's in pairing mode.
2. On your smartphone or Bluetooth-enabled device, go to Bluetooth settings.
3. Search for available devices and select "Scosche BTFREQ" (or similar name).
4. Once connected, the LED indicator will change to a solid light, confirming successful pairing.

Operating Instructions

Power On/Off

Press and hold the multi-function button to power the device on or off.

Music Playback

- **Play/Pause:** Press the multi-function button once.
- **Next Track:** Press the '+' button.
- **Previous Track:** Press the '-' button.
- **Volume Adjustment:** Use the volume controls on your connected audio system or smartphone.

Hands-Free Calling

When connected to a car stereo or headphones with a microphone, the BTFREQ allows for hands-free calls.

- **Answer/End Call:** Press the multi-function button once.
- **Reject Call:** Press and hold the multi-function button.
- **Redial Last Number:** Double-press the multi-function button.

The BTFREQ receiver enables wireless music playback and hands-free calls through your car's auxiliary input, featuring echo cancellation for clear conversations.

LED Indicator Status

- **Flashing:** Device is in pairing mode or searching for a connection.
- **Solid:** Device is connected and ready for use.

- **Charging:** (Specific light pattern, refer to full manual if available)

Maintenance

To ensure the longevity and optimal performance of your Scosche BTR3-SP BTFREQ receiver, follow these maintenance guidelines:

- **Cleaning:** Use a soft, dry cloth to clean the device. Avoid using harsh chemicals or abrasive cleaners.
- **Storage:** Store the device in a cool, dry place away from direct sunlight and extreme temperatures when not in use.
- **Battery Care:** Do not expose the device to water or excessive moisture. Avoid fully discharging the battery frequently to prolong its lifespan.

Troubleshooting

If you encounter issues with your Scosche BTR3-SP BTFREQ receiver, try the following steps:

- **No Power:** Ensure the device is fully charged. If using in a 12V outlet, check the vehicle's power supply.
- **Cannot Pair:** Make sure the device is in pairing mode (flashing LED). Turn off and on Bluetooth on your smartphone. Ensure the device is within the 10-meter range.
- **Poor Audio Quality/Static:** Ensure the 3.5mm AUX connection is secure. Reduce interference by moving away from other wireless devices.
- **Hands-Free Call Issues:** Verify the microphone is not obstructed. Ensure your connected audio system supports hands-free calling through its AUX input.
- **Controls Not Responding:** Power cycle the device by turning it off and then on again.

For more detailed troubleshooting or persistent issues, please refer to the official user manual or contact Scosche customer support.
