IKEA 102.802.03

IKEA Kuggis Box with Lid (White, 14 1/2x21 1/4x8 1/4 inches) - Model 102.802.03 User Manual

Your guide to assembly, use, and care for your IKEA Kuggis storage solution.

1. INTRODUCTION

The IKEA Kuggis Box with Lid is a versatile storage solution designed to help organize various items in your home or office. Made from durable PET plastic, this white storage box features a clean, modern design and a secure lid to protect contents from dust and maintain a tidy appearance. Its lightweight construction and integrated handles make it easy to handle and relocate.

Figure 1: The IKEA Kuggis Box with Lid, presented in its complete form. This image displays the box and its fitted lid, highlighting its smooth white finish and integrated handle cutouts on the sides.

2. PRODUCT COMPONENTS

The IKEA Kuggis storage solution consists of two primary components:

- **Storage Box:** The main container for your items.
- **Lid:** A removable cover designed to fit securely on top of the box.

Figure 2: The Kuggis box with its lid removed, showcasing the interior capacity. The lid is placed next to the box, demonstrating the two separate components. The box is shown holding various personal items, illustrating its storage potential.

3. SETUP

The IKEA Kuggis Box with Lid requires no assembly. It is ready for use directly out of its packaging.

1. **Unpack:** Carefully remove the storage box and lid from their packaging materials.
2. **Inspect:** Check both the box and lid for any signs of damage during transit.
3. **Placement:** Position the box in your desired location.

4. OPERATING INSTRUCTIONS

Using your Kuggis storage box is straightforward:

- **Storing Items:** Place your desired items inside the box. Ensure items do not exceed the top edge of the box to allow the lid to close properly.
- **Securing the Lid:** Place the lid firmly on top of the box. The lid is designed to sit snugly, providing a protective cover for the contents.
- **Accessing Items:** To access contents, simply lift the lid off the box.
- **Portability:** Use the integrated handle cutouts on the sides of the box to lift and move it. Always support the bottom of the box when carrying heavy contents.
- **Stacking:** Multiple Kuggis boxes of the same size can be stacked on top of each other when the lids are in place, optimizing vertical storage space.

Figure 3: Two Kuggis boxes neatly placed within a shelving unit, demonstrating their suitability for integrated storage solutions. This image highlights how the boxes can be used to organize items within furniture, maintaining a clean aesthetic.

5. CARE AND MAINTENANCE

To ensure the longevity and appearance of your Kuggis box, follow these simple care instructions:

- **Cleaning:** Wipe clean with a soft cloth dampened with water and a mild dish detergent or soap, if necessary.
- **Drying:** Wipe dry with a clean, dry cloth.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, scouring pads, or chemical solvents, as these can damage the PET plastic surface.
- **Temperature:** Avoid exposing the box to extreme temperatures or direct sunlight for prolonged periods, which could cause material degradation or discoloration.

6. TROUBLESHOOTING

The IKEA Kuggis Box is a simple, non-mechanical product. Most issues can be resolved with basic adjustments.

- **Lid does not fit properly:**
 - Ensure the box is not overfilled.
 - Verify the lid is oriented correctly and aligned with the box edges.
- **Box appears unstable when stacked:**
 - Ensure the lid is securely placed on the lower box.
 - Distribute contents evenly within the boxes to maintain balance.

- Only stack boxes of the same Kuggis series and size for optimal stability.

7. SPECIFICATIONS

Attribute	Detail
