UGREEN Electronic Accessories Storage Bag

Instruction Manual

1. Introduction

The UGREEN Storage Bag is a versatile and protective organizer designed for electronic accessories. Its compact yet spacious design makes it ideal for travel or daily use, ensuring your cables, chargers, power banks, and other small electronic items are kept secure, organized, and protected from external elements.

2. Key Features

- **Durable Hard Shell:** Constructed from molded EVA and Oxford material, providing excellent protection against water, shock, and drops.
- **Double Layer Design:** Features two distinct layers for efficient organization. A large pocket accommodates bigger items, while an adjustable divider in another pocket allows for customized storage.
- **Convenient and Portable:** Equipped with a portable leather handle and a high-quality carabiner for easy carrying and attachment to bags.
- **Compact and Spacious:** Despite its compact exterior (20.3 x 13 x 7 cm), the interior offers ample space for various small electronic accessories.
- **Protective Interior:** A soft velvet inner layer safeguards your items from scratches and damage during transport.
- **Secure Compartments:** Includes two mesh compartments for small items like SD cards and USB sticks, and internal zippers are covered to prevent scratching.

3. Product Structure and Capacity

The UGREEN storage bag is thoughtfully designed with multiple compartments to maximize organization and protection for your electronic essentials.

Soft Velvet Interior: The entire inner lining is made of soft velvet, providing a gentle cushion for delicate electronics and preventing scratches.

Mesh Pockets: Two mesh pockets are integrated into the top flap, ideal for securing smaller items such as USB drives,

memory cards, or earphones.

Adjustable Divider: The main compartment features an adjustable divider, allowing you to customize the space to fit various sizes of power banks, chargers, or other gadgets, keeping them tidy and preventing movement.

Dual Zippers: Equipped with two smooth-gliding zippers for easy access. The internal zipper is designed to be covered, ensuring no sharp edges come into contact with your items.

5. Care and Maintenance

To ensure the longevity and continued performance of your UGREEN Storage Bag, follow these simple care instructions:

- **Cleaning:** Wipe the exterior with a damp cloth and mild soap if necessary. Avoid harsh chemicals or abrasive cleaners.
- **Drying:** Allow the bag to air dry completely before closing or storing items inside, especially if it has been exposed to water.
- **Storage:** Store in a cool, dry place away from direct sunlight when not in use.
- **Avoid Overfilling:** Do not overstuff the bag, as this can strain zippers and compromise the protective structure.

7. Troubleshooting

While the UGREEN Storage Bag is designed for durability and ease of use, here are some general tips if you encounter

minor issues:

- **Stuck Zipper:** If a zipper becomes stiff, try rubbing a pencil lead or a small amount of wax along the teeth to lubricate it.
- **Deformation:** If the bag appears slightly deformed after heavy pressure, gently reshape it by hand. The hard EVA material is designed to regain its form.
- **Unpleasant Odor:** Upon first use, a new product odor might be present. Air out the bag in a well-ventilated area for a few hours to dissipate any smells.

8. Warranty and Support

UGREEN products typically come with a manufacturer's warranty. For specific warranty details, product support, or to report any issues, please refer to the warranty card included with your purchase or visit the official UGREEN website. Keep your purchase receipt as proof of purchase for warranty claims.

For further assistance, you may contact UGREEN customer service through their official channels.
