

## JUKSTG 1310A

# JUKSTG LED Desk Lamp 1310A User Manual

Model: 1310A

## 1. INTRODUCTION

Thank you for purchasing the JUKSTG LED Desk Lamp, Model 1310A. This lamp is designed to provide versatile and eye-friendly illumination for various tasks, including studying, reading, and relaxing. It features adjustable brightness, multiple lighting modes, touch controls, a convenient USB charging port, and an automatic shut-off timer.

The JUKSTG LED Desk Lamp, Model 1310A, offers a sleek design and versatile lighting options.

## 2. PACKAGE CONTENTS

---

Please check the package for the following items:

- JUKSTG LED Desk Lamp (Model 1310A)
- Power Adapter
- User Manual

## 3. SETUP

---

### 3.1 Assembly

The JUKSTG LED Desk Lamp comes largely pre-assembled. Follow these steps to set up your lamp:

1. Carefully remove all components from the packaging.
2. Place the lamp base on a stable, flat surface.
3. Connect the power adapter cable to the power input port located on the back of the lamp base.
4. Plug the power adapter into a suitable electrical outlet.

### 3.2 Adjusting the Lamp Angle

The lamp features multiple adjustable joints for optimal lighting positioning:

- **Arm Adjustment:** Rotate the lamp arm up to 180 degrees to direct light as needed.
- **Base Rotation:** The lamp base can be rotated up to 90 degrees for flexible positioning.
- **Lamp Head Tilt:** The lamp head can be tilted to achieve the desired light angle.

The lamp offers multi-angle adjustments for optimized lighting, including arm rotation, base rotation, and head tilt.

#### 4. OPERATING INSTRUCTIONS

The JUKSTG LED Desk Lamp features intuitive touch controls located on the lamp base.

The touch control panel on the lamp base allows for easy adjustment of brightness, lighting modes, and timer settings.

#### 4.1 Power On/Off

- To turn the lamp **ON**, gently touch the **Power (On/Off)** button.
- To turn the lamp **OFF**, touch the **Power (On/Off)** button again.

#### 4.2 Adjusting Brightness (7 Levels)

The lamp offers 7 levels of brightness adjustment for each lighting mode.

- To **increase brightness**, touch the **'+'** button.
- To **decrease brightness**, touch the **'-'** button.

The lamp provides 7 distinct brightness levels, allowing precise control over illumination intensity.

### 4.3 Selecting Lighting Modes (4 Modes)

Choose from 4 distinct lighting modes to suit your activity:

- **Reading Mode:** Ideal for reading, providing comfortable, focused light.
- **Study Mode:** Bright and clear light for concentration and detailed work.
- **Relax Mode:** Softer, warmer light for unwinding.
- **Sleep Mode:** Very dim, warm light for a gentle ambiance before sleep.

To cycle through the lighting modes, touch the respective mode icon on the control panel.

The lamp offers four distinct lighting modes: Day lighting, Cool lighting, Warm lighting, and Sleep lighting, each optimized for different activities.

#### 4.4 60-Minute Auto-Off Timer

The lamp includes a convenient 60-minute auto-off timer function.

- To activate the timer, touch the **60min** timer button. The lamp will automatically turn off after 60 minutes.
- To deactivate the timer, touch the **60min** timer button again before the 60 minutes elapse, or simply turn the lamp off manually.

The 60-minute auto-off timer can be activated with a single touch, providing convenience and energy saving.

#### **4.5 USB Charging Port**

The lamp is equipped with a 5V/1A USB charging port on its base, allowing you to charge your mobile devices conveniently.

- Connect your device's USB charging cable to the USB port on the lamp base.
- Ensure the lamp is connected to power for the USB port to function.

## USB Charging Port

Perfect for charging mobile phones while using light

The integrated USB charging port allows convenient charging of mobile phones and other devices.

## 5. MAINTENANCE

- **Cleaning:** Disconnect the lamp from power before cleaning. Use a soft, dry cloth to wipe the lamp. Do not use abrasive cleaners or solvents.
- **Storage:** If storing the lamp for an extended period, ensure it is clean and dry. Store it in a cool, dry place away from direct sunlight.
- **Bulb Replacement:** The LED light source is integrated and not user-replaceable.
