

Satechi ST-R1K

Satechi R1 Multi-Angle Foldable Tablet Stand

Model: ST-R1K

INTRODUCTION

The Satechi R1 Multi-Angle Foldable Tablet Stand is designed to provide a stable and adjustable platform for your tablets and smartphones. Its robust aluminum construction and versatile design allow for comfortable hands-free viewing and interaction with your device.

FEATURES

- **Universal Compatibility:** Securely holds 4-inch to 13-inch tablets and smartphones, including various iPad Pro, iPad Air, iPad Mini, iPhone models, Samsung Galaxy devices, and more.
- **Sleek & Stable Design:** Constructed from high-quality aluminum with rubber pads to prevent scratches and ensure device stability without wobbling or tipping.
- **Adjustable Viewing Angles:** Features a 270-degree mount and base hinge, allowing effortless adjustment between portrait, landscape, or flat orientations for optimal viewing.
- **Foldable & Portable:** Designed to fold flat into a compact size, making it easy to carry in a briefcase or backpack and store when not in use.

SETUP INSTRUCTIONS

1. **Unfold the Stand:** Gently unfold the stand from its compact, folded position. The hinges are designed to be firm to maintain stability, so apply steady pressure.
2. **Adjust the Angle:** Adjust the upper and lower hinges to achieve your desired viewing angle. The 270-degree range allows for various positions.
3. **Place Your Device:** Carefully place your tablet or smartphone onto the stand's cradle. Ensure the device rests securely against the rubberized back and bottom grips.

4. **Cable Management:** Utilize the opening at the bottom of the cradle to route charging cables, maintaining a tidy setup.

OPERATING INSTRUCTIONS

The Satechi R1 stand offers flexible usage for various activities:

- **Portrait Mode:** Place your device vertically for reading documents, browsing social media, or video calls.
- **Landscape Mode:** Position your device horizontally for watching videos, gaming, or using a keyboard.
- **Adjusting During Use:** The sturdy hinges allow for angle adjustments even with a device on the stand, though it is recommended to support the device while adjusting to prevent accidental drops.

MAINTENANCE

To ensure the longevity and appearance of your Satechi R1 stand, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the stand with a soft, slightly damp cloth. Avoid using abrasive cleaners, solvents, or harsh chemicals, as these may damage the finish or rubber components.
- **Storage:** When not in use, fold the stand flat and store it in a clean, dry place to protect it from dust and potential damage.

TROUBLESHOOTING

If you encounter any issues with your Satechi R1 stand, consider the following:

- **Device Instability:** Ensure your device is centered on the cradle and fully seated against the rubber grips. Verify that the hinges are tightened sufficiently to hold the desired angle. The stand is designed for devices between 4 and 13 inches.
- **Difficulty Adjusting Hinges:** The hinges are designed to be stiff to provide maximum stability. Apply

firm, steady pressure when adjusting. If they become excessively difficult to move, check for any obstructions.

SPECIFICATIONS

Attribute	Detail
