6. OPERATING INSTRUCTIONS

6.1 Lighting System

The dollhouse features an integrated lighting system. To activate the lights:

1. Ensure 2 AAA batteries are correctly installed in the battery compartment (not included in the kit).
2. Connect the wiring as per the assembly manual.
3. Locate and activate the power switch, typically found near the battery compartment.

6.2 Music Box

The kit includes a music box. Once assembled and integrated into the dollhouse as per the instructions, operate it according to its specific mechanism (e.g., winding a key or pressing a button).

7. MAINTENANCE

- **Cleaning:** Gently dust the dollhouse and its miniature components with a soft, dry cloth. Avoid using liquid cleaners, which may damage the materials.
- **Dust Cover:** Utilize the included dust cover to protect the assembled dollhouse from dust and environmental elements when not in use.
- **Battery Replacement:** Replace AAA batteries when the lights dim or cease to function. Ensure correct polarity during installation.

8. TROUBLESHOOTING

- **Lights Not Working:** Check that the AAA batteries are new and correctly installed. Verify all wiring connections are secure and follow the manual's electrical diagrams.
- **Missing or Faulty Parts:** The kit is checked for completeness before delivery. If you find any parts are missing or faulty, please contact Spilay customer support for assistance.
- **Difficulty with Assembly:** Review the instruction manual carefully. If specific steps are unclear, refer to online video tutorials or contact support for clarification.
