## INSTALLATION GUIDE

---

1. **Remove the Black Shell:** Gently remove the inner black plastic frame from the EVA foam case.
2. **Install the Tablet:** Carefully insert your Amazon Fire 7 Tablet into the EVA foam case. Ensure all edges are properly seated and aligned with the case's cutouts.
3. **Adjust the Kickstand:** The integrated kickstand can be folded out from the back of the case to prop up the tablet for viewing.

Image Description: This four-panel image provides a step-by-step visual guide for installing the tablet into the case, including removing the inner frame, inserting the tablet, and adjusting the kickstand.

## OPERATING INSTRUCTIONS

---

### Carrying the Tablet

Use the large, integrated handle at the top of the case to comfortably carry your Fire 7 Tablet. The handle is designed for a secure grip, suitable for both children and adults.

### Using the Stand

To use the stand, locate the two foldable feet on the back of the case. Gently pull them out until they lock into position. This will prop up your tablet for hands-free viewing. To fold the stand back, push the feet back into their recessed slots until flush with the case.

## CARE AND MAINTENANCE

---

To clean your DiHines Fire 7 Tablet Case, wipe it with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these may damage the EVA foam material. Ensure the case is completely dry before re-inserting your tablet.

## TROUBLESHOOTING

---

### Muffled Audio

If you experience muffled audio from your tablet's speaker, ensure the tablet is correctly seated within the case and that the speaker cutout is not obstructed. Adjust the tablet's position slightly if necessary to align with the case's openings.
