IKEA Poang Armchair Instruction Manual

Model: 192.407.88 - Birch Veneer, Knytha Light Beige

[Introduction](#) [Safety Information](#) [Setup](#) [Usage](#) [Maintenance](#) [Specifications](#) [Support](#)

1. INTRODUCTION

This manual provides essential information for the assembly, safe use, and maintenance of your IKEA Poang Armchair, Model 192.407.88. Please read these instructions carefully before assembly and retain them for future reference. The Poang armchair is designed for comfort and durability, featuring a birch veneer frame and a Knytha light beige fabric cushion.

2. SAFETY INFORMATION

- Ensure all components are securely fastened before use. Periodically check and retighten fasteners as needed.
- Do not stand on the armchair. It is designed for sitting only.
- Keep small parts away from children during assembly to prevent choking hazards.
- Place the armchair on a flat, stable surface to prevent tipping.
- Avoid exposing the armchair to direct sunlight or extreme temperatures, as this may damage the wood veneer and fabric.

3. SETUP AND ASSEMBLY INSTRUCTIONS

The IKEA Poang Armchair is designed for straightforward home assembly. Please follow the instructions provided in the packaging carefully. While specific step-by-step diagrams are not included here, the general process involves:

1. **Unpack Components:** Carefully remove all parts from the packaging. Verify that all frame pieces, hardware (screws, bolts, Allen key), and the fabric cushion are present.
2. **Assemble Frame:** Connect the main frame pieces using the provided hardware. Ensure all bolts are finger-tightened initially.
3. **Attach Armrests:** Secure the armrests to the main frame.
4. **Final Tightening:** Once all frame components are in place, fully tighten all bolts with the provided Allen key. Do not overtighten.
5. **Attach Cushion:** Place the Knytha light beige fabric cushion onto the assembled frame. The cushion typically attaches with hook-and-loop fasteners or ties to prevent slipping.

If you encounter any difficulties during assembly, refer to the detailed assembly guide included in your product packaging or visit the official IKEA support website.

4. USAGE

The Poang Armchair is intended for indoor use as a comfortable seating option. Its flexible frame provides a gentle bounce, adapting to your body for enhanced relaxation. The design is suitable for living rooms, bedrooms, or reading nooks.

- **Seating:** Sit comfortably with your back against the cushion.
- **Placement:** Position the armchair in a location where it will not obstruct pathways or doors.
- **Weight Limit:** Adhere to the manufacturer's recommended weight limit to ensure safety and product longevity.

5. MAINTENANCE AND CARE

Proper care will extend the life and appearance of your Poang Armchair.

Frame Care (Birch Veneer)

- **Cleaning:** Wipe the birch veneer frame clean with a damp cloth. Use a mild soap solution if necessary, then wipe dry with a clean cloth.

- **Avoid:** Do not use abrasive cleaners, strong detergents, or chemical solvents, as these can damage the veneer finish.
- **Protection:** Protect the frame from excessive moisture and direct heat sources.

Cushion Care (Knytha Light Beige Fabric)

- **Cleaning:** The fabric cushion can be spot cleaned with a mild fabric cleaner. Always test on an inconspicuous area first.
- **Removable Cover:** If the cushion cover is removable, follow the washing instructions on the care label, typically found inside the cover. Many IKEA cushion covers are machine washable.
- **Vacuuming:** Regularly vacuum the cushion to remove dust and debris.
- **Avoid:** Do not bleach or tumble dry the fabric unless specified on the care label.

6. COMMON QUESTIONS

- **Armchair feels wobbly after assembly:** Ensure all bolts are fully tightened. If the issue persists, disassemble and reassemble, ensuring all parts are correctly aligned.
- **Cushion slips:** Verify that the cushion is properly attached to the frame using its fasteners (e.g., hook-and-loop strips, ties).
- **Squeaking noise:** Check all joints and bolts. A slight loosening and re-tightening of bolts can sometimes resolve squeaking.

7. SPECIFICATIONS

Brand	IKEA
Model Number	192.407.88
Product Dimensions (D x W x H)	82D x 68W x 100H Centimeters
Item Weight	8 kg
Frame Material	Birch Veneer
Cushion Material	Fabric (Knytha Light Beige)
Special Feature	Veneer
Product Care Instructions	Wipe Clean
Room Type	Living Room
