## Majorette 8502009001

# Majorette Super City Garage Instruction Manual

Model: 8502009001

## 1. INTRODUCTION AND OVERVIEW

---

The Majorette Super City Garage is an expansive multi-level playset designed for dynamic vehicle play. It features seven levels of play area, two motorized elevators, and various interactive stations including a fire station, police station, and a helipad. This set provides numerous ramps and tracks for vehicles to navigate, enhanced by six light and sound effects for an immersive urban play experience. The garage includes six die-cast vehicles and a battery-operated train with a trailer, offering a comprehensive play environment for children aged 5 and above.

Figure 2: Key features of the Super City Garage: 35 parking spaces, 7 play levels, motorized lift, and sound & light effects.

## 2. SETUP AND ASSEMBLY

Assembly of the Majorette Super City Garage typically takes approximately 20 minutes. Follow the included graphical instructions carefully to ensure all components are correctly connected. The playset is designed for easy interlocking of parts.

### 2.1. Battery Installation

The motorized features and sound/light effects require batteries. Please ensure you have the following batteries ready:

- 4 x 1.5V R03 (AAA) batteries for certain functions.
- 3 x 1.5V R14 (C) batteries for the motorized train and other features.

Batteries are NOT included with the product and must be purchased separately. Refer to the battery compartment markings for correct polarity (+/-) during installation.

Figure 3: Product packaging illustrating the playset and included items.

### 3. OPERATING INSTRUCTIONS

The Super City Garage offers a variety of interactive play elements:

#### 3.1. Motorized Elevators

Place vehicles onto the platforms of the two motorized elevators. Activate the elevators to transport cars to different levels of the garage. Vehicles will then descend via the various ramps and tracks.

Figure 4: Detail of the motorized elevators.

### 3.2. Play Stations and Features

- **Fire Station:** Features a fire truck and designated area for emergency response scenarios.
- **Police Station:** Includes a police car and a dedicated police area for law enforcement play.
- **Helipad:** A landing zone for the included helicopter, allowing for air rescue missions.
- **Car Wash:** Drive vehicles through the car wash for a simulated cleaning experience.
- **Fuel Station:** Refuel vehicles at the integrated fuel station.
- **Train Station:** Operate the battery-powered train with its trailer around the designated track.

Figure 5: Detailed views of the helipad, car exit, fuel station, and car wash areas.

### 3.3. Sound and Light Effects

The garage is equipped with six distinct sound and light effects to enhance realism. Activate these effects at various points on the playset to simulate an active city environment.

### 3.4. Included Vehicles

The set comes with six die-cast vehicles and one battery-operated train with a trailer. These vehicles are designed to be compatible with the garage's ramps and elevators.

- Audi R8 Coupé
- Ford Mustang Police
- Ford Mustang GT
- Toyota Hilux
- Iveco Ambulance
- Iveco Fire Truck
- Battery-operated train with trailer

## 4. MAINTENANCE

---

To ensure the longevity and proper functioning of your Majorette Super City Garage, follow these simple maintenance guidelines:

- **Cleaning:** Wipe down the playset with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these can damage the plastic.
- **Storage:** When not in use, store the playset in a dry, cool place away from direct sunlight to prevent material degradation.
- **Battery Care:** Remove batteries from the motorized components and train if the toy will not be used for an extended period to prevent battery leakage.
- **Inspection:** Periodically check all connections and moving parts for any signs of wear or damage. Ensure all ramps and tracks are securely attached.

## 5. TROUBLESHOOTING

---

If you encounter any issues with your Super City Garage, please refer to the following common

troubleshooting steps:

- **Motorized Elevators Not Working:**
  - Check if batteries are correctly installed with the right polarity.
  - Replace old or depleted batteries with new ones.
  - Ensure no debris is obstructing the elevator mechanism.
- **Sound and Light Effects Not Functioning:**
  - Verify battery installation and charge level.
  - Ensure all connections are secure.
- **Vehicles Getting Stuck on Ramps/Tracks:**
  - Ensure all track pieces are properly connected and aligned.
  - Check for any foreign objects on the tracks.
  - Use only compatible Majorette vehicles for optimal performance.
- **Train Not Moving:**
  - Check the batteries in the train and replace if necessary.
  - Ensure the train is correctly placed on the track.

If problems persist after following these steps, please contact Majorette customer support for further assistance.

## 6. SPECIFICATIONS

Feature	Detail
Brand	Majorette
Model Name	Super City Garage
Model Number	8502009001
Recommended Age	5 to 99 years
Dimensions (L x H x P)	128 x 73 x 78 cm (approx. 50.4 x 28.7 x 30.7 inches)
Material	Plastic
Power Source	Battery Powered
Batteries Required	4 x 1.5V R03 (AAA), 3 x 1.5V R14 (C) (Not included)
Number of Pieces	10
