Video Description: An overview video showcasing the ICESOMNUS X12 Pro Wireless Earbuds, highlighting their design, features, and various color options. The video demonstrates the earbuds in use and their charging case.

2. PRODUCT OVERVIEW

The ICESOMNUS Sabbat X12 Pro Wireless Earbuds offer a high-fidelity audio experience with advanced features designed for convenience and performance.

Key Features:

- **Bluetooth 5.2 Technology:** Ensures stable, low-latency connection with reduced power consumption.
- **Extended Battery Life:** Up to 30 hours of total listening time with the charging case, and 6 hours of playback per earbud charge.
- **Automatic Connection:** Earbuds automatically power on and connect to your device when removed from the charging case.
- **Intuitive Controls:** Simple touch controls for music playback, call management, and voice assistant activation.
- **Voice Assistant Support:** Quick access to Siri and Android Voice Assistant.
- **Active Noise Cancellation (ENC):** Enhances audio clarity by reducing ambient noise.
- **Waterproof Design:** Suitable for sports and active use.

What's Included:

- ICESOMNUS Sabbat X12 Pro Wireless Earbuds (Left and Right)
- Wireless Charging Case
- User Manual

3. SETUP

3.1. Charging the Case and Earbuds

Before first use, ensure both the charging case and earbuds are fully charged.

1. Place the earbuds into the charging case. Ensure they are correctly seated to initiate charging.
2. Connect the charging case to a power source using a Micro USB cable. The charging indicator lights will show the charging status.
3. A full charge for the earbuds takes approximately 1 hour. The charging case capacity is 3.7V/750mAh, and each earbud has a 3.7V/60mAh capacity.

3.2. Initial Pairing

Follow these steps to pair your earbuds with a new device:

1. Open the charging case and remove both earbuds. They will automatically power on and enter pairing mode.

2. On your device (smartphone, tablet, etc.), enable Bluetooth and search for available devices.
3. Select "Sabbat X12 Pro" from the list of found devices to connect.
4. Once connected, you will hear a confirmation tone, and the earbuds' indicator lights will change.

Smart boot. Pick it up and connect.

The headset is automatically turned on and paired as soon as it is removed, and is turned off when put into the charging compartment.

Image Description: The ICESOMNUS Sabbat X12 Pro Wireless Earbuds are shown outside their open charging case, illustrating the 'Smart Boot' feature where they automatically turn on and connect upon removal.

3.3. Automatic Connection

After the initial pairing, the earbuds will automatically connect to the last paired device when removed from the charging case. To disconnect, simply place them back into the charging case.

4. OPERATING INSTRUCTIONS

4.1. Basic Controls

The earbuds feature multi-function buttons for easy control:

- **Single Click (Either Earbud):** Play/Pause music, Answer/Hang up calls.
- **Double Click (Right Earbud):** Volume Up.
- **Double Click (Left Earbud):** Volume Down.

- **Triple Click (Right Earbud):** Next Song.
- **Triple Click (Left Earbud):** Previous Song.

4.2. Voice Assistant Activation

Access your device's voice assistant with a simple long press:

- **Long Press (Either Earbud):** Summon Siri (iOS) or Android Voice Assistant.

5. MAINTENANCE

5.1. Cleaning

Regular cleaning helps maintain sound quality and hygiene:

- Use a soft, dry, lint-free cloth to wipe the earbuds and charging case.
- Do not use abrasive cleaners, solvents, or aerosol sprays.
- Gently clean the charging contacts on both the earbuds and the case with a cotton swab if necessary.

5.2. Storage

- When not in use, store the earbuds in their charging case to protect them and keep them charged.
- Store the product in a cool, dry place, away from extreme temperatures and direct sunlight.

6. TROUBLESHOOTING

If you encounter issues, try the following solutions:

- **No Sound/Connection Issues:**
 - Ensure earbuds and charging case are fully charged.
 - Verify Bluetooth is enabled on your device and the earbuds are selected.
 - Try unpairing and re-pairing the earbuds with your device.
 - Restart your device.
- **One Earbud Not Working:**
 - Place both earbuds back into the charging case, close it, then reopen and remove them simultaneously.

- Ensure both earbuds have sufficient charge.
- **Charging Issues:**
 - Check the Micro USB cable and power adapter for damage.
 - Ensure charging contacts on earbuds and case are clean and free of debris.
