Reebok Question Mid Melody Ehsani

Reebok Question Mid Melody Ehsani Basketball Trainers User Manual

Model: Question Mid Melody Ehsani (BD4327)

1. INTRODUCTION

This manual provides essential information for the proper use, care, and maintenance of your Reebok Question Mid Melody Ehsani basketball trainers. Please read these instructions carefully to ensure optimal performance and longevity of your footwear.

2. PRODUCT OVERVIEW

The Reebok Question Mid Melody Ehsani trainers are designed for athletic performance, particularly basketball, offering a blend of style and functional support. They feature a durable construction with a rubber sole for traction and a lace-up closure for a secure fit.

Figure 1: Front-side view of the Reebok Question Mid Melody Ehsani trainer, showcasing the tan leather upper, black toe cap, and speckled midsole.

Figure 2: Rear-side view of the trainer, highlighting the textured heel panel and the Reebok logo on the midsole.

Figure 3: Underside view of the trainer's rubber sole, showing the intricate tread pattern and translucent blue sections designed for grip and durability.

3. SETUP AND INITIAL USE

3.1 Lacing

The trainers feature a lace-up closure system. Ensure laces are threaded through all eyelets. For optimal support and comfort, adjust the lacing to a snug fit without being overly tight. A proper lacing technique helps secure the foot and prevents excessive movement within the shoe during activity.

3.2 First Wear

Before engaging in strenuous activity, wear the trainers for short periods to allow them to conform to your foot shape. This helps in breaking them in and identifying any areas of discomfort. Ensure you are wearing appropriate athletic socks.

4. OPERATING (WEARING AND USAGE)

These trainers are designed for basketball and general athletic use. They provide ankle support and cushioning suitable for court sports.

- **Secure Fit:** Always ensure your laces are tied securely to prevent foot slippage and provide adequate ankle support.
- **Intended Surfaces:** While durable, these trainers are optimized for indoor and outdoor court surfaces. Avoid prolonged use on abrasive surfaces that may accelerate sole wear.

- **Rotation:** For athletes who train frequently, rotating between multiple pairs of trainers can extend the lifespan of each pair.

5. MAINTENANCE AND CARE

Proper care will help maintain the appearance and performance of your trainers.

5.1 Cleaning

- **Upper (Leather and Synthetic):** Gently wipe the leather and synthetic surfaces with a soft, damp cloth. For stubborn dirt, use a mild soap solution and a soft brush, then wipe clean with a damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Sole:** Use a brush or damp cloth to remove dirt and debris from the rubber sole.
- **Laces:** Laces can be removed and hand-washed with mild soap, then air-dried.

5.2 Drying

Allow trainers to air dry naturally at room temperature. Do not use direct heat sources such as radiators, hairdryers, or direct sunlight, as this can damage the materials and adhesives.

5.3 Storage

Store trainers in a cool, dry place away from direct sunlight and extreme temperatures. If storing for extended periods, consider using shoe trees to help maintain their shape.

6. TROUBLESHOOTING

If you encounter issues with your trainers, consider the following:

- **Discomfort or Rubbing:** Ensure the trainers are the correct size and width. Adjust lacing for a more secure or relaxed fit. Check for proper sock thickness.
- **Reduced Traction:** Clean the soles thoroughly to remove any accumulated dirt or debris that might be affecting grip. Inspect the sole for excessive wear.
- **Unusual Wear Patterns:** This could indicate an issue with gait or foot mechanics. Consult a specialist if persistent discomfort or uneven wear occurs.

7. SPECIFICATIONS

Feature	Detail
Model Number	Question Mid Melody Ehsani (BD4327)
Department	Womens
Fabric Type	Fabric-and-synthetic
Sole Material	Rubber
Outer Material	Leather

Closure Type	Lace-Up
First Available	October 16, 2018
