KLIM Esports Gaming Chair EBLK Instruction Manual

INTRODUCTION

Welcome to the instruction manual for your new KLIM Esports Gaming Chair EBLK. This guide provides essential information for the safe and efficient assembly, operation, and maintenance of your chair. Please read this manual thoroughly before use and retain it for future reference.

PRODUCT OVERVIEW

The KLIM Esports Gaming Chair EBLK is designed for comfort and durability, featuring premium materials and ergonomic adjustments to support extended periods of use.

Key Features:

- **Ergonomic Design:** High-density foam and adjustable cushions for lumbar and cervical support.
- **Premium Materials:** Durable faux leather upholstery and a reinforced steel structure.
- **Adjustable Recline:** Reclines up to 160 degrees for optimal relaxation.
- **Multi-directional Armrests:** 6-position adjustable armrests to support various postures.
- **Robust Base:** Equipped with large, sturdy casters for smooth movement.

SETUP AND ASSEMBLY

The KLIM Esports Gaming Chair EBLK is designed for straightforward assembly, typically taking around 15 minutes. All necessary tools and instructions are included in the packaging. For visual guidance, an assembly video is also available on YouTube.

Assembly Steps:

1. **Unpack Components:** Carefully remove all parts from the packaging. Ensure all components are present according to the included parts list.
2. **Pre-installed Screws:** Note that some screws may be pre-installed in their respective positions on the chair components. Remove these screws before proceeding with assembly, and then re-use them as indicated in the

instructions.

3. **Base Assembly:** Attach the casters to the chair base. Insert the gas lift cylinder into the center of the base.
4. **Seat Assembly:** Secure the mechanism plate to the underside of the seat using the provided screws.
5. **Backrest Attachment:** Attach the backrest to the seat using the designated brackets and screws.
6. **Armrest Installation:** Install the armrests, ensuring they are securely fastened.
7. **Final Assembly:** Place the assembled seat and backrest onto the gas lift cylinder. Attach the lumbar and neck cushions.

Refer to the detailed graphical instructions provided in the box for specific screw locations and tightening procedures.

OPERATING INSTRUCTIONS

Familiarize yourself with the various adjustment mechanisms to customize your seating experience.

- **Seat Height Adjustment:** Locate the lever on the right side beneath the seat. Pull the lever upwards to raise the seat. To lower the seat, pull the lever upwards while seated. Release the lever to lock the height.
- **Backrest Recline:** Use the recline lever on the right side of the chair, near the seat. Pull the lever to unlock the backrest, adjust to your desired angle (up to 160 degrees), and release the lever to lock it in place.
- **Armrest Adjustment:** The armrests can be adjusted in 6 directions. Press the button on the side of the armrest to adjust its height. The armrests can also be rotated inwards/outwards and moved forwards/backwards.
- **Lumbar and Neck Cushions:** The lumbar and neck cushions are attached with elastic straps. Adjust their position along the backrest to provide optimal support for your lower back and neck.
- **Tilt Function:** The chair features a tilt mechanism. A knob beneath the seat allows you to adjust the tension of the tilt. Turn clockwise to increase tension (making it harder to tilt) and counter-clockwise to decrease tension (making it easier to tilt).

MAINTENANCE

Proper maintenance ensures the longevity and performance of your KLIM Esports Gaming Chair EBLK.

- **Cleaning the Faux Leather:** The faux leather material is easy to clean. Use a soft, damp cloth with mild soap and water to wipe down surfaces. Avoid harsh chemicals or abrasive cleaners, as these can damage the material.
- **Caster Maintenance:** Periodically check the casters for accumulated dust or hair. Clean them to ensure smooth rolling.
- **Tightening Fasteners:** Over time, screws and bolts may loosen. Periodically check all fasteners and tighten them as needed to maintain stability.
- **Cushion Care:** The lumbar and neck cushions can be spot cleaned as needed.

TROUBLESHOOTING

This section addresses common issues you might encounter with your gaming chair.

Problem	Possible Cause	Solution
Chair feels wobbly or unstable.	Loose screws or bolts.	Check all assembly screws and bolts, and tighten them securely.
Armrests feel loose or wobbly.	Armrest fasteners are not fully tightened.	Ensure the armrests are securely fastened to the chair frame. If adjustable, ensure the locking mechanism is engaged after adjustment.
Headrest or lumbar cushion does not stay in position.	Elastic straps may be stretched or not properly secured.	Adjust the elastic straps to a tighter fit or consider using additional securing methods if necessary.
Chair does not recline or lock properly.	Recline mechanism is obstructed or not fully engaged.	Ensure no obstructions are preventing the mechanism from moving freely. Check that the recline lever is fully released to lock the backrest.

If you encounter issues not listed here or require further assistance, please contact KLIM customer support.

SPECIFICATIONS

Feature	Detail
Brand	KLIM
Model Number	EBLK
Color	Black
Material	Faux Leather (Simili cuir)
Product Dimensions (L x W x H)	140 x 57 x 57 cm (55.1 x 22.4 x 22.4 inches)
