

MIRRORMORE M1037

MIRRORMORE Professional 8.5" Lighted Makeup Mirror Instruction Manual

Brand: MIRRORMORE

Model: M1037

INTRODUCTION

Thank you for choosing the MIRRORMORE Professional 8.5" Lighted Makeup Mirror. This manual provides essential information for the safe and effective use of your new mirror. Designed for precision and convenience, it features dual magnification, adjustable lighting, and a robust build to enhance your daily beauty routine.

PRODUCT FEATURES

- **Dual Magnification:** Features 1X and 10X HD magnification for versatile use, from full-face viewing to detailed tasks like eyeliner application or tweezing.
- **8.5-inch Large Mirror:** Provides an expansive and clear viewing area.
- **360° Free Rotation:** Allows easy switching between magnification levels and adjustment to any desired angle.
- **3 Color Lighting Modes:** Choose between Warm, Natural, and White light settings to simulate various environments.
- **Stepless Dimming:** Adjustable brightness from 200 lux to 1400 lux, controlled by a rotary knob, to suit any lighting condition.
- **52 Premium LED Lights:** Built-in high-end LEDs provide bright, soft, and eye-protective illumination with no visible strobe and a Color Rendering Index (CRI) exceeding 97 for natural makeup application.
- **Dual Power Supply:** Operates via an included AC adapter for continuous power or 4xAA batteries for cordless portability.
- **1-Hour Auto-Off Function:** Automatically turns off after one hour to conserve energy.
- **Premium Pearl Nickel Finish:** The outer frame is made from chemically stable, corrosion-resistant, and anti-fingerprint pearl nickel material.
- **Durable Construction:** Features an 8.5-inch oversized seamless crystal mirror surface that is impact-resistant and unbreakable.

SETUP

1. **Unpack Components:** Carefully remove all components from the packaging. Ensure you have the mirror head, stand, base, AC adapter, and instruction manual.
2. **Assemble the Stand:** The mirror typically comes partially assembled. If the stand is separate from the base, gently screw the stand into the base until secure.
3. **Attach the Mirror Head:** The mirror head is pre-attached to the swivel arms. Ensure these arms are securely fastened to the top of the stand.
4. **Power Connection:**
 - **AC Power:** Plug the included AC adapter into the designated port on the mirror's base, then into a standard electrical outlet.
 - **Battery Power:** For cordless operation, open the battery compartment on the underside of the base and insert 4xAA batteries (not included), ensuring correct polarity.

1X/10X Double-side Mirror

Upgraded Ni Plated Tech, Achieve 1000,000 Pixels HD Effect

OPERATING INSTRUCTIONS

Power On/Off

Locate the power button on the base of the mirror. Press the button once to turn the mirror's lights on or off. The mirror features a 1-hour auto-off function to conserve energy.

Adjusting Lighting Modes and Brightness

1. **Change Color Mode:** With the lights on, press the power button repeatedly to cycle through the three color modes: Warm Light, Natural Light, and White Light.
2. **Adjust Brightness (Stepless Dimming):** While the lights are on in any color mode, rotate the knob on the base to increase or decrease the brightness level from 200 lux to 1400 lux.

MIRRORMORE[®]

Most Choice for Beauty!

A good mirror can make you look beautiful and confident, and MIRRORMORE gives you more than just a mirror.

Premium Pearl Nickel

High-definition mirror, clear every inch of skin, see the real beauty!

Figure 4: The mirror head can be rotated 360 degrees to find the perfect angle.

MAINTENANCE

- **Cleaning:** Always unplug the mirror before cleaning. Use a soft, dry, or slightly damp cloth to wipe the mirror surface and frame. Avoid abrasive cleaners or harsh chemicals that could damage the finish or mirror.
- **Storage:** Store the mirror in a dry place away from direct sunlight and extreme temperatures.

Safety Information

Always unplug the mirror before cleaning. Do not use near water. Keep away from heat sources. Do not drop or throw the mirror. Keep out of reach of children and pets. Always follow the manufacturer's instructions for use and care.
