WishaLife 8-IN-1 City Police Mobile Command Center Truck Building Set: Instruction Manual

Model: LX.A225

INTRODUCTION

This instruction manual provides comprehensive guidance for the WishaLife 8-IN-1 City Police Mobile Command Center Truck Building Set. Please read all instructions carefully before beginning assembly to ensure correct construction and safe use. This set allows for the creation of a large Mobile Command Center Truck and Police Headquarters, or it can be reconfigured into eight different police vehicles and structures. Note that not all models can be built simultaneously.

SAFETY INFORMATION

- **Age Recommendation:** This building set is recommended for children aged 6 to 12 years.
- **Small Parts Warning:** This set contains small parts which may pose a choking hazard for children under 3 years of age. Adult supervision is recommended during assembly and play.
- **Material Safety:** The building blocks are made from non-toxic ABS material, which is odorless and smooth. All materials meet ASTM standards for child safety.
- **Proper Use:** Ensure all connections are secure during assembly to prevent parts from detaching during play.

PARTS LIST

This set includes 1039 pieces. A detailed, color-illustrated parts list is provided in the separate instruction booklet included with your product. Please verify all parts are present before beginning assembly. If any pieces are missing, refer to the 'Troubleshooting' section for assistance.

ASSEMBLY INSTRUCTIONS

The WishLife 8-IN-1 City Police Building Set offers two primary building configurations: a large Mobile Command Center Truck with a Police Headquarters, or eight individual police vehicles and structures. Detailed step-by-step instructions are provided in the included color manual (Manual #322-A for the Command Center and Headquarters, and Manual #322-1 to #322-8 for the individual vehicles).

Main Build: Mobile Command Center Truck & Police Headquarters

Follow the instructions in Manual #322-A to construct the Mobile Command Center Truck and the accompanying Police Headquarters. This large model features a detailed interior with radar, satellite communication antenna, a prison room, weapon room, and command room.

Alternative Builds: 8 Police Vehicles & Structures

After disassembling the main build, you can use the same pieces to create eight different police-themed models. These include:

- Seaplane
- Patrol Boat
- Cruiser
- Prison Car
- Armored Vehicle
- Helicopter
- Police Station
- Police Post

Refer to the specific manuals (Manual #322-1 to #322-8) for detailed instructions on each alternative build. Remember, these models cannot all be built simultaneously as they share common pieces.

OPERATING THE MODELS

Once assembled, the Wishalife City Police models are designed for imaginative play. The Mobile Command Center Truck features opening sides to reveal the interior command and prison areas. The various vehicles can be used to simulate police operations, pursuits, and rescues.

Video: This video demonstrates the assembly and play features of the Wishalife City Police Mobile Command Center Truck and its various alternative builds, including police cars, helicopters, and boats in action.

Key Features for Play:

- **Mobile Command Center:** Open the truck sides to access the detailed interior, including control panels, a weapon rack, and a prison cell.
- **Modular Design:** Easily switch between the large command center and the eight smaller

vehicles/structures to create diverse play scenarios.

- **Compatibility:** The building bricks are compatible with most major brand building bricks, allowing for expanded creative play.

MAINTENANCE

To ensure the longevity and cleanliness of your Wishalife building set, follow these maintenance guidelines:

- **Cleaning:** The plastic building blocks are washable. Use mild soap and water to clean the pieces. Rinse thoroughly and allow them to air dry completely before storing. Avoid using harsh chemicals or abrasive materials.
- **Storage:** Store all pieces in the provided portable storage box or a similar container to prevent loss and damage. Keep the set away from direct sunlight and extreme temperatures to prevent material degradation.
- **Inspection:** Periodically inspect all pieces for any signs of wear or damage. Replace any broken or worn-out parts if necessary.

TROUBLESHOOTING

If you encounter any issues with your Wishalife building set, please refer to the following common solutions:

- **Missing Pieces:** If you find any pieces missing from your set, please contact Wishalife customer support with your product model number (LX.A225) and a description of the missing parts.
- **Pieces Not Connecting Securely:** Ensure that the building blocks are aligned correctly and pressed firmly together. Some connections may require more pressure than others. Refer to the instruction manual to confirm the correct placement of each piece.
- **Difficulty Following Instructions:** The included color manual provides specific steps. If you are having

difficulty, review the previous steps to ensure accuracy. Online resources or videos may also provide additional visual guidance.
