## Hot Wheels FYJ64

# Hot Wheels Monster Trucks Demolition Doubles Instruction Manual

Model: FYJ64

## INTRODUCTION

---

The Hot Wheels Monster Trucks Demolition Doubles pack provides an exciting play experience with two Monster Trucks designed for head-to-head battles. Each die-cast vehicle is crafted in 1:64 scale, featuring giant wheels and distinct personalities. This set is intended for children aged 3 years and up, encouraging creative storytelling through smashing and crashing action.

## SAFETY INFORMATION

---

**WARNING: CHOKING HAZARD** – Small parts. Not for children under 3 years.

## SETUP

---

### What's in the Box

- 2 Hot Wheels Monster Trucks

### Unboxing and Initial Inspection

Carefully remove the Monster Trucks from their packaging. Inspect both vehicles for any visible damage or missing parts. Ensure all components are intact before play. The packaging typically includes two distinct Monster Trucks, ready for immediate action.

### Battery Installation (if applicable to playsets)

While the Monster Trucks themselves do not require batteries, some associated playsets may. For example, certain Monster Jam track sets may require AA and D batteries for features like light-up flames or super jumps. Refer to the specific playset's instructions for battery requirements and installation.

### OPERATING INSTRUCTIONS

The Hot Wheels Monster Trucks are designed for imaginative play, focusing on crashing, smashing, and racing. Their large wheels and durable die-cast construction make them suitable for various play surfaces and scenarios.

### Head-to-Head Battles

Utilize both trucks in the Demolition Doubles pack to stage exciting head-to-head battles. The vehicles are specifically chosen to be adversaries, enhancing the competitive play experience. Engage in creative scenarios, simulating monster truck rallies and demolition derbies.

## MAINTENANCE

---

### Cleaning

To clean your Hot Wheels Monster Trucks, wipe them with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these may damage the paint or plastic components. Ensure the trucks are completely dry before storing.

### Storage

Store the Monster Trucks in a dry place, away from direct sunlight and extreme temperatures, to preserve their condition and paint finish.

## TROUBLESHOOTING

---

### General Issues

Hot Wheels Monster Trucks are designed for durability. If a truck appears damaged, inspect it for loose parts. Small parts present a choking hazard, especially for children under 3 years. If a part breaks off, discontinue use and dispose of the part safely.
