4. MAINTENANCE AND CARE

Proper maintenance will ensure the longevity and continued performance of your ROMOON Laundry Hamper Sorter Cart.

Cleaning the Fabric Bags:

- The Oxford fabric bags are stain-resistant and washable. For general cleaning, wipe with a damp cloth.
- For deeper cleaning, the bags can be removed and hand-washed with mild detergent. Allow to air dry completely before reattaching to the frame.
- The bags feature a waterproof-coated lining for easy cleaning and to prevent moisture from seeping through.

Frame Care:

- The heavy-duty stainless steel frame has a non-rust coating applied using high-temperature baked paint. Wipe

the frame with a soft, damp cloth as needed.

- Avoid using abrasive cleaners or harsh chemicals, as these may damage the finish.

Wheel Maintenance:

- Periodically check the wheels for any lint or debris that may accumulate and affect their smooth operation. Clean as necessary.
