BarcaLounger Barrett

BarcaLounger Barrett Power Recliner Chair User Manual

Model: Barrett (9PH-3286-5407-41)

INTRODUCTION

This manual provides essential instructions for the safe assembly, operation, and maintenance of your BarcaLounger Barrett Power Recliner Chair. Please read this manual thoroughly before using your chair and retain it for future reference.

The Barrett Power Recliner Chair features a classic wing-back design with power headrest, power recline, and footrest extension capabilities. It is upholstered in Stetson Coffee leather and accented with nailhead trim and mahogany-finished wood legs.

IMPORTANT SAFETY INFORMATION

- Assembly may require tools and safety precautions. Always follow assembly instructions carefully.
- Use power recline and footrest extension with caution to avoid injury. Keep hands and feet clear of moving parts.
- Ensure the power cord is not pinched or damaged. Do not operate the chair with a damaged cord or plug.
- Keep children and pets away from the chair's moving mechanisms.
- Do not stand on the footrest or apply excessive weight to it.
- Unplug the chair from the power outlet before cleaning or performing any maintenance.

SETUP AND ASSEMBLY

Your BarcaLounge Barrett Power Recliner Chair requires minimal assembly. Please ensure all components are present

before beginning.

Components Checklist:

- Chair Back
- Chair Base (with arms and seat)
- Power Adapter and Cord

Assembly Steps:

1. **Unpack Components:** Carefully remove all parts from the packaging. Place them on a soft, clean surface to prevent damage.
2. **Attach Chair Back:** Align the metal receivers on the chair back with the posts on the chair base. Slide the back down firmly until it locks into place. You may hear a click.
3. **Connect Power:** Locate the power cord connection point, typically at the rear underside of the chair. Connect the power adapter to the chair and then plug the power cord into a standard electrical outlet. Ensure the connection is secure.
4. **Test Functionality:** Once assembled and powered, test the recline and headrest functions using the control panel.

OPERATING INSTRUCTIONS

Your BarcaLounger Barrett Power Recliner Chair is equipped with a convenient control panel for adjusting your comfort settings.

Figure 3: Control panel for power recline and headrest adjustments.

Control Panel Functions:

- **Power Recline (Outer Buttons):** Press and hold the forward outer button to extend the footrest and recline the backrest. Press and hold the backward outer button to retract the footrest and return the backrest to the upright position. Release the button at your desired position.
- **Power Headrest (Inner Buttons):** Press and hold the forward inner button to adjust the headrest forward. Press and hold the backward inner button to adjust the headrest backward. Release the button at your desired angle.
- **USB Charging Port:** The control panel includes a USB port for charging compatible electronic devices.

MAINTENANCE AND CARE

Proper care will extend the life and appearance of your recliner.

Leather Care:

- **Cleaning:** For general cleaning, wipe the leather with a soft, damp cloth. For spills, blot immediately with a clean, dry cloth. For stubborn spots, use a mild leather cleaner specifically designed for genuine leather, following the product's instructions. Avoid harsh chemicals or abrasive cleaners.
- **Spot Clean:** As per product specifications, spot clean only. Do not saturate the leather.
- **Protection:** Keep the chair away from direct sunlight and heat sources to prevent fading and drying of the leather.

General Maintenance:

- **Mechanism:** Periodically inspect the reclining mechanism for any loose bolts or connections. Tighten if necessary. Do not lubricate the mechanism unless specifically instructed by the manufacturer.
- **Power Cord:** Ensure the power cord remains free from kinks or damage.

TROUBLESHOOTING

If you encounter issues with your recliner, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Chair does not recline or headrest does not move.	No power supply.	Ensure the power cord is securely plugged into both the chair and a working electrical outlet. Check the wall outlet with another device.
Reclining mechanism makes unusual noises.	Loose connections or components.	Inspect the mechanism underneath the chair for any loose bolts or obstructions. Tighten any loose fasteners.
Footrest does not fully extend or retract.	Obstruction or mechanism issue.	Check for any objects obstructing the footrest's movement. Ensure no fabric or wires are caught in the mechanism.

If the problem persists after attempting these solutions, please contact customer support.
