# Barbie Dreamtopia Brush 'n Sparkle Unicorn Interactive Toy Instruction Manual

Brand: Barbie | Model: GFH60

## 1. INTRODUCTION

Welcome to the magical world of Barbie Dreamtopia! This instruction manual provides essential information for the safe and enjoyable use of your Barbie Dreamtopia Brush 'n Sparkle Unicorn. This interactive toy features lights and sounds activated by brushing its mane or pressing a button on its body, designed to inspire imaginative play.

## 2. PACKAGE CONTENTS

- Barbie Dreamtopia Brush 'n Sparkle Unicorn
- Magical Brush Accessory

## 3. SAFETY INFORMATION

No specific safety warnings are provided by the manufacturer beyond general toy safety. Always supervise children during play. Keep small parts away from children under 3 years of age to prevent choking hazards. Dispose of batteries responsibly.

## 4. SETUP

### 4.1 Battery Installation

The Barbie Dreamtopia Brush 'n Sparkle Unicorn requires 3 AA batteries (included). To install or replace batteries:

1. Locate the battery compartment on the underside of the unicorn.
2. Using a Phillips head screwdriver (not included), open the battery compartment cover.
3. Insert 3 new AA batteries, ensuring correct polarity (+/-).
4. Replace the battery compartment cover and secure it with the screw.

**Note:** Batteries included are for demonstration purposes only. Dispose of used batteries properly.

## 5. OPERATING INSTRUCTIONS

The Barbie Dreamtopia Brush 'n Sparkle Unicorn features four different light and sound shows. These can be activated in two ways:

- **Brush Activation:** Use the included magical brush accessory to brush the unicorn's long pink mane. This action will trigger a light and sound sequence.
- **Button Activation:** Press the button located on the unicorn's body. Each press will activate a different light and sound show.

Experiment with both methods to discover all four unique light and sound combinations.

**Figure 1:** A child brushing the unicorn's mane to activate lights and sounds.

Figure 2: A hand pressing the activation button on the unicorn's side.

## 6. FEATURES

- Interactive lights and sounds: Four distinct light and sound shows for engaging play.
- Dual activation methods: Activate by brushing the mane with the included brush or by pressing the body button.
- Vibrant design: Shimmery white body with cut-out, color-rimmed stars that illuminate, complemented by a long pink mane and tail, and blue hooves.
- Encourages imaginative play: Designed to inspire storytelling and creative adventures.

## 7. MAINTENANCE

## 7.1 Cleaning

To clean the unicorn, wipe its surface with a damp cloth. Do not immerse the toy in water. Avoid using harsh chemicals or abrasive cleaners, as these may damage the finish or electronic components.

## 7.2 Hair Care

The unicorn's mane and tail can be brushed with the included accessory. For best results, brush gently to prevent tangling or damage to the hair fibers.

## 8. TROUBLESHOOTING

### 8.1 Lights and Sounds Not Activating

- Check Batteries:** Ensure batteries are correctly installed with proper polarity. Replace with fresh AA batteries if necessary.
- Activation Method:** Confirm you are either brushing the mane with the magical brush or pressing the button on the unicorn's body.
