IRIS USA 24-inch 4-Panel Dog Playpen with Door Instruction Manual

Model: CI-604E

1. SAFETY INFORMATION

Please review this instruction manual carefully before assembly and use. Use the product only in accordance with the instructions and warnings provided. Improper use, repair, or modification of the product may result in injury, accidents, or damage.

- This playpen is designed for use with small to medium-sized dogs and puppies.
- Ensure all panels are securely connected before placing a pet inside.
- Regularly inspect the playpen for any damage or loose parts. Discontinue use if damage is found.
- Do not allow children to climb on or play inside the playpen.
- This product is intended for pet containment only.

2. PACKAGE CONTENTS

Verify that all components are present before beginning assembly:

- 5 x Playpen Panels
- 1 x Playpen Panel with Door
- Rubber Feet (pre-attached to panels)

3. SETUP INSTRUCTIONS

The IRIS USA 4-Panel Dog Playpen is designed for easy assembly. No tools are required.

1. **Unpack Components:** Carefully remove all panels from the packaging.
2. **Connect Panels:** Align the interlocking tabs of two panels. Gently push them together until they snap securely into place. Repeat this process for all panels, forming the desired shape (e.g., square, rectangle). Ensure the panel with the door is positioned for convenient access.
3. **Secure Connections:** Double-check that all panel connections are firm and that there are no gaps.

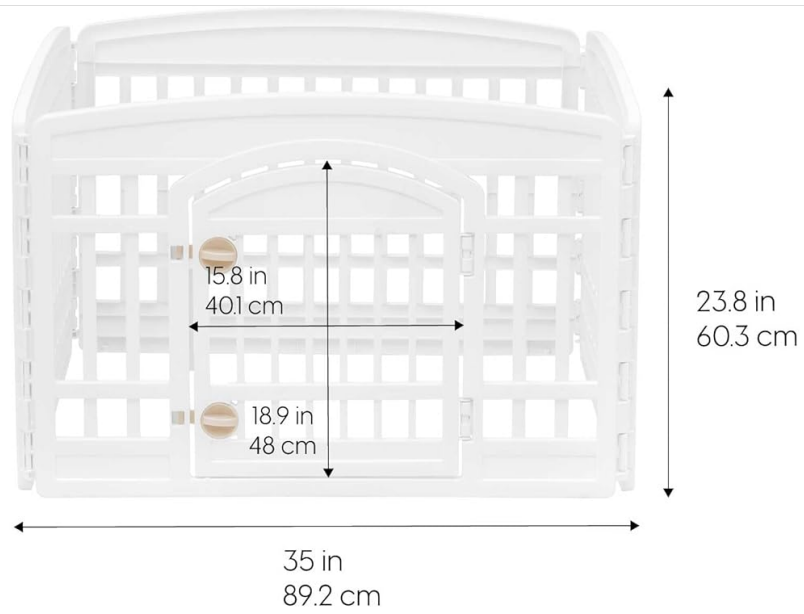

4. **Position Playpen:** Place the assembled playpen on a flat, stable surface. The pre-attached rubber feet will help protect floors and prevent the pen from sliding.

Pet Proof Lock

Keep them (and your house) safe with the easy and pet proof lock. Just twist to open and to lock into place.

4. OPERATING INSTRUCTIONS

The playpen provides a secure and spacious area for your pet.

4.1. Pet Access

The playpen features a convenient door for easy pet entry and exit.

- **Opening the Door:** Twist the pet-proof lock mechanism to disengage it, then pull the door open.
- **Closing and Locking the Door:** Push the door shut and twist the lock mechanism until it clicks into the locked position. Ensure the door is securely latched to prevent your pet from opening it.

Sit, Stay

Non skid rubber feet protect your floors and keep pets from sliding the pen across the room.

4.2. Customization and Expansion

The modular design allows for various configurations and expansion with additional panels (sold separately).

- Panels can be arranged to create different shapes to fit your space.
- Additional panels can be purchased to increase the size of the playpen as your pet grows or if more space is desired.

Fits Your Space

This pen is customizable to fit into any space while still looking great.

24"

- 4 Panels covers up to 8.5 sqft
- 6 Panel covers up to 22 sqft

5. MAINTENANCE

The playpen is constructed from durable plastic, making it easy to clean and maintain.

- **Routine Cleaning:** Wipe down panels with a damp cloth and mild soap as needed.
- **Deep Cleaning:** For thorough cleaning, the playpen can be disassembled and rinsed with a hose outdoors. Allow all parts to air dry completely before reassembly or storage.
- **Storage:** The playpen can be folded flat for convenient storage when not in use.

6. TROUBLESHOOTING

If you encounter any issues with your playpen, refer to the following common solutions:

- **Panels Detaching:** Ensure all panels are firmly snapped into place. If a pet frequently jumps on the pen, this may cause panels to disengage. Re-secure connections.
- **Door Not Latching:** Check for any obstructions around the door or latch mechanism. Ensure the door is fully closed before attempting to twist the lock into place.
- **Playpen Sliding:** Verify that the rubber feet are intact and properly positioned on the bottom of each

panel. Ensure the playpen is on a clean, dry surface.

If problems persist, please contact customer support.
