Mega Construx Halo Metallic Green Power Pack GCM30 Instruction Manual

Model: GCM30 | Brand: Mega Brands

1. PRODUCT OVERVIEW

The Mega Construx Halo Metallic Green Power Pack provides a customizable Spartan micro action figure and a buildable armor locker. This set allows users to equip the Spartan figure with various detailed combat armor pieces and helmets. The armor locker functions as both a display piece and a storage unit for the included accessories.

Key Features:

- Highly collectible, super-poseable Spartan micro action figure.
- Buildable armor locker designed to open and reveal detailed armor and helmets for customization.
- Compatible with other Halo construction sets by Mega Construx for expanded play.

Recommended Age: 8 years and up.

2. SAFETY INFORMATION

WARNING: CHOKING HAZARD - Small parts. Not for children under 3 years.

This product contains small components that may pose a choking hazard. Adult supervision is recommended, especially for younger children who may be in the vicinity of the product.

3. PACKAGE CONTENTS

Verify that all components are present in your package:

- 1 Spartan Micro Action Figure (Metallic Green)
- 1 Buildable Armor Locker
- Assorted Armor Pieces and Helmets for customization
- 1 Weapon Accessory

4. SETUP AND ASSEMBLY

The armor locker requires minor assembly. The Spartan figure comes pre-assembled but its armor components are interchangeable.

4.1 Assembling the Armor Locker

Follow these steps to assemble your armor locker:

1. Identify the main body pieces of the armor locker.
2. Connect the two halves of the locker, ensuring they hinge correctly.
3. Attach any additional decorative or functional pieces, such as handles, to the exterior of the locker.
4. Ensure the locker opens and closes smoothly.

4.2 Equipping the Spartan Figure

The Spartan micro action figure is designed for customization:

1. Gently remove existing armor pieces or helmets from the Spartan figure if applicable.
2. Select desired armor pieces (chest, shoulder, leg armor) and helmets from the armor locker.
3. Carefully attach the new armor pieces to the corresponding points on the Spartan figure. Ensure a snug fit without forcing.
4. Attach the weapon accessory to the figure's hand.

5. OPERATING AND CUSTOMIZATION

The Mega Construx Halo Metallic Green Power Pack offers extensive customization options for your Spartan figure.

5.1 Figure Articulation

The Spartan micro action figure features multiple points of articulation, allowing for various poses. Gently move the joints to achieve desired stances. Avoid excessive force to prevent damage.

5.2 Armor Locker Usage

The armor locker is designed for both display and storage. Open the locker to access the armor pieces. When not in use, store all components inside the locker to keep them organized and prevent loss.

Ensure all pieces are correctly placed within the locker before closing to prevent damage or difficulty in latching.

6. MAINTENANCE

To ensure the longevity of your Mega Construx Halo Metallic Green Power Pack:

- **Cleaning:** Wipe figures and accessories with a soft, dry cloth. For stubborn dirt, a slightly damp cloth can be used, followed by immediate drying. Do not use harsh chemicals or abrasive cleaners.
- **Storage:** Store the set in a cool, dry place away from direct sunlight to prevent material degradation and color fading. Utilize the armor locker for organized storage of small parts.

7. TROUBLESHOOTING

If you encounter any issues with your product, consider the following:

- **Difficulty attaching/removing armor or helmets:** Apply gentle, even pressure. Avoid twisting or excessive force, especially when removing parts from ball joints, to prevent breakage. If a part feels stuck, try wiggling it gently rather than pulling directly.
- **Armor locker not closing properly:** Ensure all armor pieces and accessories are correctly seated within their designated slots inside the locker. Overfilling or improper placement can obstruct the closing mechanism.
- **Loose joints:** Over time, joints may become slightly loose. This is typical with articulated figures.

8. SPECIFICATIONS

Brand:	Mega Brands
Model Name:	GCM30
Model Number:	GCM30
Material Type:	Plastic
Item Weight:	1.6 ounces (approximately 45 grams)
Item Dimensions (L x W x H):	5 x 1.13 x 6 inches (approximately 12.7 x 2.87 x 15.24 cm)
