SETUP AND ASSEMBLY

Assembly of the Walker Edison Saxon TV Stand is required. Please ensure all components are present before beginning. A detailed instruction manual with step-by-step diagrams is included in the product packaging. It is

recommended to assemble the unit on a soft, clean surface to prevent scratches. Avoid over-tightening screws during initial assembly to allow for adjustments, especially when aligning doors.

Important Assembly Notes:

- **Back Panels:** Pay attention to the orientation of the back panels, particularly the cord slots, to ensure they align with your desired cable routing.
- **Door Stops:** It is often easier to attach door stops before securing the top panel, contrary to some general instructions.
- **Adjustable Feet:** Utilize the adjustable rubber feet to level the stand on uneven floors and protect your flooring.

OPERATING GUIDELINES

Your TV stand is designed for optimal functionality and organization. Here are some guidelines for its use:

- **TV Placement:** Place your television centrally on the top surface. The stand is designed to support TVs up to

65 inches diagonally.

- **Weight Distribution:** Ensure weight is evenly distributed across the top surface and shelves to maintain stability. Adhere to the specified weight limits for each section.
- **Adjustable Shelves:** The glass shelf in the middle and the wooden shelves inside the side cabinets can be adjusted to different heights to accommodate various items, such as media players, gaming consoles, books, or decorative pieces.
- **Cord Management:** Utilize the integrated cord management cut-outs in the back panel to route and organize cables, keeping your entertainment area neat and clutter-free.

Simple Cord Management

Easily organize messy wires with cut-outs for overall cord management.

CARE AND MAINTENANCE

To ensure the longevity and appearance of your TV stand, follow these simple care instructions:

- **Cleaning:** Wipe the surfaces with a dry, soft cloth. Avoid using harsh chemicals or abrasive cleaners, which can damage the finish.
- **Spills:** Immediately wipe up any spills to prevent staining or water damage.
- **Sunlight:** Avoid prolonged exposure to direct sunlight to prevent fading of the wood finish.
- **Heat:** Do not place hot items directly on the surface without protective coasters.
- **Hardware:** Periodically check and tighten all hardware to ensure the stability and structural integrity of the unit.

TROUBLESHOOTING

If you encounter any issues with your TV stand, please refer to the following common solutions:

- **Wobbly Stand:** Ensure all screws are securely tightened. Use the adjustable rubber feet to level the stand on uneven floors.
- **Misaligned Doors:** Loosen the hinge screws slightly, adjust the door to the correct alignment, and then re-

tighten the screws. Magnetic closures should keep the doors securely shut.

- **Missing Parts:** If any parts are missing or damaged upon arrival, please contact customer support immediately.
