

Kaptur KP1102-STAND

Kaptur KP1102-STAND Barcode Scanner Stand User Manual

1. INTRODUCTION

This manual provides instructions for the proper setup, operation, and maintenance of your Kaptur KP1102-STAND Barcode Scanner Stand. Please read this manual thoroughly before use to ensure optimal performance and longevity of the product. This stand is designed to provide a stable and convenient base for the Kaptur IC-KP1102 barcode reader.

2. PRODUCT OVERVIEW

The Kaptur KP1102-STAND is a durable and stable table stand specifically designed for the IC-KP1102 barcode reader. It allows for hands-free operation, making it ideal for environments requiring continuous and stable barcode readings.

2.1 Key Features

- **Compatibility:** Specifically designed for the Kaptur IC-KP1102 barcode reader.
- **Stable Positioning:** Provides a secure and stable base for the scanner.
- **Enhanced Efficiency:** Facilitates continuous and stable readings for improved workflow.
- **Durable Construction:** Made from high-resistance TPU material for long-lasting use.

2.2 Package Contents

- Kaptur KP1102-STAND Barcode Scanner Stand (1 pc)

3. SETUP

Follow these steps to set up your Kaptur KP1102-STAND:

1. Unpack the Kaptur KP1102-STAND from its packaging.
2. Place the stand on a flat, stable, and level surface. Ensure there is no wobble.
3. Gently insert your compatible Kaptur IC-KP1102 barcode scanner into the designated cradle on the stand. Ensure it is securely seated and stable within the stand.

4. OPERATING

Once the barcode scanner is securely placed in the KP1102-STAND, it provides a stable platform for hands-free scanning. Position items to be scanned directly in front of the scanner's reading window while it is in the stand. The stand's design facilitates continuous and stable barcode readings, improving efficiency in various work environments such as retail, inventory management, and logistics.

5. MAINTENANCE

Proper maintenance will ensure the longevity of your Kaptur KP1102-STAND:

- **Cleaning:** To clean the stand, wipe it regularly with a soft, dry, lint-free cloth.
- **Avoid Chemicals:** Do not use abrasive cleaners, solvents, or strong chemical solutions, as these may damage the material or finish of the stand.
- **Storage:** Store the stand in a clean, dry environment away from extreme temperatures and direct sunlight when not in use.

6. TROUBLESHOOTING

This section addresses common issues you might encounter with the Kaptur KP1102-STAND.

Issue	Possible Cause	Solution
The stand appears unstable or wobbly.	Uneven surface; debris under the base.	Ensure the stand is placed on a completely flat and level surface. Check for and remove any debris underneath the base.
The barcode scanner does not fit securely into the stand.	Incorrect scanner model; improper insertion.	Verify that your barcode scanner is the compatible Kaptur IC-KP1102 model. Ensure it is inserted correctly and fully into the stand's cradle. Do not force the scanner into the stand.
