

Semme 228

Semme Silicone Shampoo Bowl Head Rest Cushion - Model 228

Instruction Manual

1. INTRODUCTION

This manual provides instructions for the proper use and care of your Semme Silicone Shampoo Bowl Head Rest Cushion, Model 228. This product is designed to enhance comfort and support for clients during hair washing in professional salon environments.

2. PRODUCT OVERVIEW

2.1 Features

- **Material:** Constructed from durable, skin-friendly silicone.
- **Design:** Unique shape designed to conform to standard shampoo bowls, providing stable head and neck support.
- **Non-Slip Surface:** Features a non-smooth planar surface to prevent slipping during use.
- **Easy Maintenance:** Designed for simple disassembly, installation, and cleaning.
- **Dimensions:** Approximately 12.5 cm x 7 cm (4.9 inches x 2.8 inches). Front height approximately 4 cm (1.57 inches), back height approximately 6 cm (2.4 inches).

2.2 Package Contents

- 1 x Semme Silicone Shampoo Neck Cushion

3. SETUP AND INSTALLATION

The Semme Silicone Shampoo Bowl Head Rest Cushion is designed for easy installation into compatible shampoo bowls. It does not require complex tools or permanent fixtures.

1. **Identify Placement:** Locate the designated headrest area within your shampoo bowl. The cushion is designed to fit into this recess.

2. **Position the Cushion:** Place the silicone cushion into the headrest area of the shampoo bowl. Ensure the contoured shape aligns with the bowl's design.
3. **Secure Placement:** Gently press down on the cushion to ensure it settles firmly into place. The unique design and silicone material help it conform and provide a stable base.

4. OPERATING INSTRUCTIONS

Once installed, the head rest cushion provides comfort and support for clients during hair washing procedures.

1. **Client Positioning:** Guide the client to recline their head onto the cushion in the shampoo bowl.
2. **Ensure Comfort:** Verify that the client's head and neck are comfortably supported by the cushion. The silicone material and design are intended to provide a stable and comfortable experience.
3. **Proceed with Washing:** Conduct hair washing as usual. The cushion is designed to remain stable even when wet.

5. MAINTENANCE AND CARE

Regular cleaning and proper care will extend the lifespan of your silicone head rest cushion.

- **Cleaning:** The cushion can be easily removed from the shampoo bowl for cleaning. Wipe the surface with a dry cloth after each use. For deeper cleaning, use mild soap and water, then rinse thoroughly and dry completely before re-installation.
- **Disinfection:** For salon environments, disinfect the cushion regularly using appropriate salon-grade disinfectants suitable for silicone materials. Follow the disinfectant manufacturer's instructions.
- **Storage:** Store the cushion in a clean, dry place when not in use.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, solvents, or harsh chemicals, as these may damage the silicone material.

6. TROUBLESHOOTING

If you encounter issues with your Semme Silicone Shampoo Bowl Head Rest Cushion, refer to the following common solutions:

Problem	Possible Cause	Solution
Cushion does not fit or is unstable.	Incompatible shampoo bowl design or incorrect placement.	Ensure the cushion is correctly aligned with the headrest recess of your shampoo bowl. This cushion is designed for bowls with a built-in headrest area. Verify your bowl's dimensions against the cushion's specifications.
Cushion slips during use.	Improper installation or wet/soapy contact surfaces.	Ensure the cushion is firmly pressed into place. Clean both the cushion and the shampoo bowl's contact surface to remove any soap residue or oils that might reduce friction.
Difficulty cleaning the cushion.	Accumulation of hair products or improper cleaning method.	Remove the cushion from the bowl. Wash with mild soap and water, using a soft brush if necessary to remove residue. Rinse thoroughly and dry completely.
