## Basic Fun 2224

# Lite-Brite Peg and Template Refill Pack

Model: 2224 | Brand: Basic Fun

## INTRODUCTION

The Lite-Brite Peg and Template Refill Pack is designed to expand your creative possibilities with the Lite-Brite drawing board (sold separately). This pack provides additional pegs and templates, allowing users to create new and exciting light-up designs. It combines the nostalgic appeal of the original Lite-Brite with updated features for enhanced glowing peg play. This accessory set encourages imagination, hand-eye coordination, motor skills, and cognitive development through creative play.

## WHAT'S IN THE BOX

Your Lite-Brite Peg and Template Refill Pack includes the following items:

- 100 round pegs in assorted colors (white, yellow, blue, pink, orange, green)
- 8 design templates

## SETUP AND INSTALLATION

---

This refill pack requires a main Lite-Brite unit (sold separately) for use. Follow these steps to set up your new templates and pegs:

1. **Prepare the Lite-Brite Unit:** Ensure your Lite-Brite unit is clean and ready for use.
2. **Select a Template:** Choose one of the 8 included design templates. Each template features a pattern with letters indicating the color of peg to insert (e.g., 'B' for Blue, 'Y' for Yellow).
3. **Place the Template:** Carefully place the selected template onto the peg screen of your Lite-Brite unit. Align the template so that the holes match the grid on the screen. Secure the template in place using the corner pegs or clips if your Lite-Brite unit has them.
4. **Insert Pegs:** Following the color codes on the template, insert the corresponding colored pegs into the holes. Push each peg firmly until it is securely in place.
5. **Power On:** Once your design is complete, turn on your Lite-Brite unit to illuminate your creation.

## To be used with this unit – Sold separately

## OPERATING INSTRUCTIONS

---

The Lite-Brite Peg and Template Refill Pack enhances the creative experience of your Lite-Brite unit. Here's how to maximize your play:

- **Following Templates:** Use the provided templates to guide your peg placement. Match the color of the pegs to the letters indicated on the template for a precise design.
- **Freehand Creativity:** Once familiar with the pegs and the Lite-Brite unit, encourage freehand drawing. Remove the template and create your own unique designs directly on the peg screen.
- **Light Settings:** Your main Lite-Brite unit may have various light settings (e.g., steady glow, blinking, pulsating). Experiment with these settings to bring your creations to life in different ways.
- **Reusability:** All pegs and templates are reusable. Carefully remove pegs from the screen and store them in a safe place for future use. Templates can be stored flat to prevent creasing.

# Lite·Brite®

Includes 100 pegs and  
8 reusable templates

( Compatible with Lite-Brite® Unit - sold separately )

## PRODUCT FEATURES

- **Lite-Brite Peg & Template Refill:** Use with the original Lite-Brite set and create even more art with light using 8 new templates and 100 bright and colorful pegs. Inspired by the classic 1980s Lite-Brite toy, so kids can enjoy hours more creative play.
- **Kids Craft Board Refill:** Create cool designs with this glow-up kids drawing board refill set. Featuring new and different templates to expand your designs, this creative set for kids works seamlessly with the main Lite-Brite board.
- **Glow Drawing Board Templates:** Great for keeping children entertained throughout the day. When you've finished your design, why not use the light board as a neon sign to decorate your bedroom? Inspire imagination within young children without the mess!
- **Educational Toy:** With mini pegs designed to shine brighter than ever and a range of templates with interesting designs to create, this light drawing board helps to develop hand-eye coordination and motor skills as children play and create.

<b>Item model number</b>	2224
<b>Manufacturer recommended age</b>	4 - 15 years
<b>Release date</b>	October 1, 2018

## MAINTENANCE

---

To ensure the longevity of your Lite-Brite Peg and Template Refill Pack, follow these maintenance guidelines:

- **Cleaning Pegs:** If pegs become dirty, gently wipe them with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Storing Pegs:** Store pegs in a secure container to prevent loss and keep them organized by color.
- **Storing Templates:** Keep templates flat to prevent creasing or damage. A folder or a dedicated storage slot in your Lite-Brite unit is ideal.
- **General Care:** Avoid exposing pegs and templates to extreme temperatures or direct sunlight for prolonged periods, as this may cause warping or fading.

## TROUBLESHOOTING

---

If you encounter any issues while using your Lite-Brite Peg and Template Refill Pack, consider the following:

- **Pegs not fitting:** Ensure the template is correctly aligned on the Lite-Brite unit's grid. Apply gentle, even pressure when inserting pegs.
- **Lights not illuminating:** This refill pack does not contain the light source. Ensure your main Lite-Brite unit is powered on and its batteries are functional. Refer to your main Lite-Brite unit's manual for lighting troubleshooting.
- **Damaged Templates:** If a template is torn or heavily creased, it may affect peg placement. While templates are reusable, excessive wear may require replacement.

## WARRANTY AND SUPPORT

---

For warranty information, product support, or to inquire about replacement parts, please contact Basic Fun customer service directly. Keep your purchase receipt as proof of purchase may be required for warranty claims.
