# Haotian FSR161-W Shoe Storage Bench Instruction Manual

Model: FSR161-W | Brand: Haotian

## 1. INTRODUCTION

---

This manual provides instructions for the assembly, operation, and maintenance of your Haotian FSR161-W Shoe Storage Bench. Please read all instructions carefully before assembly and use to ensure safe and proper operation of the product.

The Haotian FSR161-W is a versatile entryway bench designed for shoe storage, featuring a comfortable seat cushion and a space-saving flip-drawer design. It is constructed from engineered wood for durability.

## 2. SAFETY INFORMATION

---

- **Maximum Weight Capacity:** This product has a load capacity of 330.7 pounds (150 kg). Do not exceed this weight limit to prevent damage or injury.
- **Assembly:** Follow the assembly instructions carefully to ensure safety and stability. Incorrect assembly can lead to product failure and injury.
- **Stability:** Depending on the intended use and location, anchoring or securing the bench to a wall may be necessary to prevent tipping, especially if used in areas with children or pets.
- **Usage Environment:** Intended for both indoor and outdoor use. For outdoor use, additional precautions may be required to protect the product from weather damage.
- **Children:** Keep small parts away from children during assembly. Do not allow children to climb on or play with the bench unsupervised.

## 3. PRODUCT FEATURES

---

- **Integrated Shoe Storage:** Features one flip-down drawer for organized shoe storage.
- **Removable Shelf:** The shelf within the flip-drawer is removable, allowing for flexible storage of various shoe types and sizes.
- **Padded Seat Cushion:** A thick, soft cushion covered in breathable linen fabric provides a comfortable seating area for changing shoes.

- **Durable Construction:** Crafted from high-quality engineered wood (MDF) for stability and longevity. The material offers waterproof and dust-proof properties.

## 4. SETUP AND ASSEMBLY

---

The Haotian FSR161-W Shoe Storage Bench requires assembly. Please ensure all components are present before beginning. Refer to the separate assembly guide included with your product for detailed, step-by-step instructions.

### General Assembly Tips:

- Unpack all parts and lay them out on a clean, soft surface to prevent scratches.
- Identify all hardware and components using the provided parts list.
- Use the appropriate tools as specified in the assembly guide.
- Do not overtighten screws, as this may damage the engineered wood.
- Assemble the unit in the location where it will be used, if possible, to avoid moving it after assembly.

## 5. OPERATING INSTRUCTIONS

---

The Haotian FSR161-W Shoe Storage Bench is designed for ease of use in your entryway or mudroom.

### Using the Flip-Down Shoe Drawer:

1. To open the shoe drawer, gently pull the handle located on the front panel. The drawer will tilt forward, revealing the storage compartments.
2. Place shoes into the compartments. The internal shelf can be adjusted or removed to accommodate different shoe heights, such as boots or high heels.
3. To close, push the drawer back into the bench until it is flush with the front surface.

### **Using the Padded Seat:**

The top surface of the bench features a padded cushion, providing a comfortable spot to sit while putting on or taking off shoes. Ensure the bench is stable and on a level surface before sitting. Do not stand on the bench.

## 6. MAINTENANCE

---

To maintain the appearance and longevity of your Haotian Shoe Storage Bench, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the surface of the bench with a dry cloth. Avoid using harsh chemicals or abrasive cleaners, which can damage the finish.
- **Cushion Care:** The cushion cover is designed for easy cleaning. If spills occur, gently spot clean with a mild detergent and damp cloth. Allow to air dry completely.
- **Moisture Protection:** While the engineered wood has dust-proof and waterproof features, avoid prolonged exposure to excessive moisture or direct sunlight to prevent warping or discoloration.
- **Hardware Check:** Periodically check all screws and fasteners to ensure they are tight. Retighten if necessary to maintain structural integrity.

## 7. TROUBLESHOOTING

---

If you encounter any issues with your Haotian Shoe Storage Bench, consider the following common solutions:

- **Wobbly Bench:** Ensure the bench is on a level surface. Check all assembly hardware and tighten any loose screws.
- **Drawer Not Closing Properly:** Verify that no items are obstructing the drawer mechanism. Check if the internal shelf is correctly positioned. Ensure all assembly hardware for the drawer is securely fastened.
- **Scratches or Minor Damage:** For minor scratches, touch-up paint or furniture markers matching the white finish can be used.

If problems persist, please contact Haotian customer support for further assistance.
