Juskys Sanremo Garden Bench Instruction Manual

Model: Sanremo (200578)

INTRODUCTION

This manual provides essential information for the safe assembly, operation, and maintenance of your Juskys Sanremo Garden Bench. Please read these instructions carefully before assembly and retain them for future reference.

The Juskys Sanremo Garden Bench is designed for outdoor use, offering comfortable seating for two people. It features a durable construction of wood and cast iron, designed to withstand various weather conditions.

SAFETY INSTRUCTIONS

- **Weight Limit:** Do not exceed the recommended maximum weight of 126 kg (277 lbs) on the bench. Overloading can cause damage or injury.
- **Stability:** Ensure the bench is placed on a flat, stable surface to prevent tipping.
- **Assembly:** Assemble the bench strictly according to the provided instructions. Ensure all fasteners are securely tightened before use.
- **Children:** Keep children away from the assembly area. Small parts can be a choking hazard.
- **Inspection:** Regularly inspect the bench for loose parts, damage, or wear. Do not use if damaged.
- **Outdoor Use:** While weather-resistant, prolonged exposure to extreme weather conditions may reduce the product's lifespan. Consider covering the bench during harsh weather.

PACKAGE CONTENTS

Before beginning assembly, verify that all components are present and undamaged. If any parts are missing or damaged, do not proceed with assembly and contact customer support.

- Wooden seat slats (fir wood)

- Cast iron side frames (with armrests)
- Backrest elements (plastic with rhomboid pattern)
- Assembly hardware (screws, nuts, washers, etc.)
- Assembly instructions

ASSEMBLY INSTRUCTIONS

Assembly is required for this product. Please follow the step-by-step instructions provided in the included assembly guide. A general overview of the process is as follows:

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches.
2. **Attach Side Frames:** Secure the wooden seat slats and backrest elements to the cast iron side frames using the provided hardware. Ensure the backrest elements with the rhomboid pattern are correctly oriented.
3. **Tighten Fasteners:** Once all components are in place, gradually tighten all screws and bolts. Do not overtighten, but ensure all connections are firm and secure.
4. **Final Check:** Before first use, gently shake the bench to confirm stability. Re-tighten any loose fasteners if necessary.

For detailed visual guidance, refer to the specific assembly diagrams in your product's included manual.

OPERATING INSTRUCTIONS

The Juskys Sanremo Garden Bench is designed for simple and comfortable use.

- **Seating:** The bench is designed to comfortably seat two adults.
- **Placement:** Position the bench on a level, stable surface in your garden, balcony, terrace, or any desired outdoor area.
- **Movement:** When moving the bench, lift it carefully from both ends to avoid straining the joints. Do not drag the bench.

MAINTENANCE

Proper maintenance will extend the life and appearance of your garden bench.

- **Cleaning:** Clean the bench regularly with a soft, damp cloth. For stubborn dirt, a mild soap solution can be used, followed by rinsing with clean water and drying thoroughly. Avoid abrasive cleaners or harsh chemicals.
- **Wood Care:** The wooden slats are pre-treated for weather resistance. To maintain the wood's condition and extend its lifespan, consider applying a wood preservative or stain annually, especially if the bench is exposed to direct sunlight and rain frequently.
- **Metal Frame Care:** The cast iron frame is powder-coated for protection. If scratches or chips occur, touch up with appropriate outdoor metal paint to prevent rust.
- **Seasonal Storage:** During winter months or periods of extreme weather, it is recommended to store the bench indoors or cover it with a protective outdoor furniture cover.
- **Fastener Check:** Periodically check all screws and bolts and tighten them if they have become loose.

due to use or temperature changes.

TROUBLESHOOTING

- **Bench feels wobbly after assembly:**

Ensure all screws and bolts are fully tightened. If the issue persists, disassemble and reassemble, ensuring all parts are correctly aligned before tightening.

- **Wood appears faded or dry:**

This is normal with outdoor wood over time. Apply a suitable wood preservative or outdoor wood stain to restore and protect the finish.

- **Rust spots on cast iron frame:**

Clean the affected area with a wire brush to remove loose rust, then apply a rust-inhibiting primer and an outdoor metal paint to match the original finish.
