Relaxdays Scandinavian Design Desk with 2 Drawers

Model: 10021842

INTRODUCTION

Thank you for choosing the Relaxdays Scandinavian Design Desk. This desk combines functionality with a minimalist aesthetic, offering practical storage solutions and a natural wood finish. This manual provides important information for the safe assembly, proper use, and maintenance of your new desk.

SAFETY INFORMATION

- **Maximum Load Capacity:** Do not exceed the maximum load capacity of 30 kg (approximately 66 lbs) on the desktop. Exceeding this limit may cause damage to the desk or lead to injury.
- **Assembly:** Assembly is recommended for two people to ensure safety and ease of construction.
- **Stability:** Ensure all screws and fasteners are securely tightened before using the desk. Periodically check and retighten as necessary.
- **Placement:** Place the desk on a flat, stable surface to prevent wobbling or tipping.
- **Children:** Keep small parts away from children during assembly. Do not allow children to climb on or play with the desk.

PACKAGE CONTENTS

Before beginning assembly, please verify that all parts listed below are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Desk components (unassembled)
- Assembly instructions
- Mounting hardware (screws, dowels, etc.)

Note: Decorative items shown in product images are not included.

ASSEMBLY INSTRUCTIONS

Follow these steps carefully to assemble your Relaxdays Scandinavian Design Desk. It is recommended to have a second person assist with assembly.

- Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches.
- Attach Legs:** Securely attach the four natural pine wood legs to the underside of the desk frame using the provided hardware. Ensure they are firmly tightened.
- Install Drawers:** Assemble the two drawers according to the separate drawer assembly instructions. Insert the assembled drawers into their respective slots in the desk frame. Ensure they slide smoothly.
- Final Check:** Once assembled, gently lift and place the desk in its desired location. Verify that all connections are tight and the desk is stable.

USAGE

The Relaxdays Scandinavian Design Desk is designed for home office use, providing a functional workspace and integrated storage.

- Desktop Surface:** Use the main desktop surface for your computer, writing, or other tasks. Avoid placing excessively hot or cold items directly on the surface without protection.
- Drawers:** The two integrated drawers are suitable for storing office supplies, documents, and other small items to keep your workspace tidy.
- Open Compartment:** The open compartment located between the drawers provides additional accessible storage for frequently used items.

CARE AND MAINTENANCE

To ensure the longevity and appearance of your desk, follow these care instructions:

- Cleaning:** Wipe the desk surfaces with a soft, damp cloth. Avoid using harsh chemicals, abrasive cleaners, or excessive moisture, which can damage the wood and finish.
- Spills:** Clean up spills immediately to prevent staining or damage to the wood.
- Sunlight:** Avoid prolonged exposure to direct sunlight, which can cause fading or discoloration of the wood.
- Heat and Moisture:** Protect the surface from extreme heat and moisture by using coasters or mats under hot dishes, cups, or damp objects.
- Hardware:** Periodically check all screws and fasteners and tighten them if necessary to maintain the desk's stability.

TROUBLESHOOTING

If you encounter any issues with your desk, please refer to the following common problems and solutions:

- **Desk is wobbly:**

Ensure all leg screws and frame connections are securely tightened. Check that the desk is placed on a level surface. If the floor is uneven, use furniture pads under the legs to stabilize.

- **Drawers do not slide smoothly:**

Verify that the drawer slides are correctly installed and aligned. Check for any obstructions within the drawer tracks. Ensure the drawers are not overloaded.

- **Parts missing or damaged during assembly:**

Review the package contents list. If parts are missing or damaged, do not attempt to force assembly. Contact Relaxdays customer support for assistance and replacement parts.
