Safety Information

Please read and adhere to the following safety guidelines before and during use:

- **Recommended Age:** This product is suitable for individuals aged 6 years and up.
- **Small Parts Warning:** The set contains small parts which may pose a choking hazard for children under 3 years of age. Keep away from infants and toddlers.
- **Material Safety:** All building blocks are made from Acrylonitrile Butadiene Styrene (ABS), a non-toxic plastic material.
- **Supervision:** Adult supervision is recommended during assembly and play, especially for younger users.
- **Intended Use:** This product is a toy building set and should not be used for any other purpose.

Setup and Assembly

Assembly of the Sluban M38-B0655 set requires careful attention to the included instruction booklet. Follow these general steps:

1. **Unpack Components:** Carefully open the product box and sort the building blocks by color or type if desired.
2. **Consult Instruction Booklet:** Refer to the full-color instruction booklet provided. Each step is illustrated to guide the assembly process.
3. **Follow Step-by-Step:** Assemble the models (armored tank, motorcycle, 4x4 jeep, and mini-figures) by following the instructions sequentially. Ensure each piece is securely connected.
4. **Verify Connections:** Double-check all connections to ensure structural integrity of the assembled models.

Operating Instructions

Once assembled, the Sluban Police SWAT building block set is ready for interactive play. The models feature various movable parts and accessories:

- **Armored Tank:** Features a rotating turret with projectile launchers. The rear door can be opened for access.
- **Police Motorcycle:** Designed for a mini-figure to ride.
- **4x4 Jeep:** Designed for a mini-figure to drive, equipped with a mounted weapon.
- **Mini-figures:** Articulated for posing and interaction with the vehicles.

Engage in imaginative play scenarios with the police and SWAT team vehicles and figures.

Maintenance

To ensure the longevity and cleanliness of your Sluban building block set, follow these maintenance guidelines:

- **Cleaning:** Wipe the blocks and assembled models with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Storage:** Store the building blocks and assembled models in a clean, dry place away from direct sunlight and extreme temperatures to prevent discoloration or warping.
- **Disassembly:** If disassembling, do so carefully to avoid damaging the connection points of the blocks.

Troubleshooting

Should you encounter any issues during assembly or play, consider the following:

- **Missing Pieces:** Double-check the packaging and surrounding area. If pieces are genuinely missing, contact Sluban customer support.
- **Difficulty Connecting Blocks:** Ensure blocks are aligned correctly. Apply gentle, firm pressure. Avoid forcing pieces, which can cause damage.
- **Assembly Errors:** Review the instruction booklet carefully. Disassemble the problematic section and reassemble according to the steps.
- **Loose Connections:** Ensure blocks are fully pressed together. Some connections may require more pressure than others.
