### Modern Forms FH-W1802-38L-BZ

# Modern Forms Vox Smart Indoor/Outdoor 5-Blade Flush Mount Ceiling Fan (38in, Bronze, 3000K LED)

BRAND: MODERN FORMS

Model: FH-W1802-38L-BZ

## INTRODUCTION

The Modern Forms Vox Smart Ceiling Fan is a 38-inch, 5-blade flush mount fan designed for both indoor and outdoor use. It features a 3000K LED light kit, remote control, and smart home integration with platforms like Alexa, Google Assistant, and Samsung SmartThings. Powered by an efficient DC motor, it offers quiet operation and energy savings.

## SETUP

### 1. App Installation

To begin, download the 'Modern Forms' application from your device's app store. Search for 'Modern Forms' in the Apple App Store (for iOS devices) or Google Play Store (for Android devices).

Your browser does not support the video tag.

**Video:** This video provides step-by-step instructions for installing the Modern Forms app on an iOS device and pairing it with your smart fan.

Once the app is installed, open it and proceed to create a new account or log in using your existing credentials, or through Facebook, Google, or Apple sign-in options.

### 2. Fan Pairing

1. After logging in, the app will guide you through the pairing process.
2. Minimize the Modern Forms app and navigate to your phone's **Settings**.

3. Select **Wi-Fi** and connect to the network named "**ModernFormsFan\_XXXXXX**" (where XXXXXX is a unique identifier for your fan).
4. When prompted, enter the password: "**intelligence**" (all lowercase).
5. Return to the Modern Forms app.
6. Choose your home Wi-Fi network from the list and enter its password. **Note:** Modern Forms fans are designed to connect only to 2.4 GHz Wi-Fi networks.
7. Follow the on-screen prompts to name your fan (e.g., "Bedroom Fan") and optionally add a photo for easy identification.

## OPERATING

### Control Methods

- **Remote Control:** The fan includes a battery-operated Bluetooth remote control (Part # F-RCBT-WT) with a wall cradle for convenient access.
- **Hardwired Wall Control:** An optional Bluetooth hardwired wall control (Part# F-WCBT-WT) is available separately and can be configured for 3-way or 4-way switching.
- **Mobile App:** Use the exclusive Modern Forms app to control fan speed, activate features like breeze mode and adaptive learning, create groups, and monitor energy usage. The app is Bluetooth compatible for enhanced range.
- **Smart Home Integration:** The fan seamlessly integrates with popular smart home platforms, including Google Assistant, Amazon Alexa, Samsung SmartThings, Ecobee, Control4, and Josh AI, allowing for voice control and automation.

## TRADITIONAL CONTROLS

WALL CONTROL or REMOTE included with every Modern Forms smart fan.

*SEE PRODUCT DETAILS*

## WIFI-ENABLED SMART CONTROLS

Every Modern Forms smart fan is equipped with Wifi-enabled app control technology when you download the Modern Forms App.

**Image:** Screenshot of the Modern Forms mobile application, illustrating the intuitive controls for fan speed, light dimming, and smart features.

## ADVANCED CONTROLS

FREE IOS & ANDROID APP

- Control fan speed and light brightness (if equipped)
- 7/365 day scheduling
- Adaptive learning
- Integrate with Smart Technologies

## SMART HOME

INTEGRATION MADE SIMPLE

All Modern Forms Smart Fans can be controlled with the Smart Home Tech you know and love.

**Image:** The Modern Forms app highlighting compatibility with various smart home ecosystems, including Amazon Alexa and Google Assistant.

## Fan Features

- **Efficient Motor:** Equipped with a 6-speed brushless DC motor, the fan operates silently and is up to 70% more efficient than traditional AC motors.
- **Balanced Operation:** Each fan is factory-balanced and sound-tested to ensure stable, wobble-free, rattle-free, and click-free performance.
- **Breeze Mode:** Available through the app, this mode simulates natural breezes by varying fan speeds.
- **Adaptive Learning:** The app's adaptive learning feature can optimize fan operation based on your preferences and environmental conditions.

## Light Features

- **Integrated LED:** The fan includes a replaceable LED luminaire powered by WAC Lighting.
- **Dimmable:** Enjoy smooth and continuous brightness control for the integrated 3000K Warm White LED light.
- **Downlight:** The light provides a focused downlight, suitable for various room types.

Your browser does not support the video tag.

**Video:** An overview video showcasing the features and smart technology of the Modern Forms Vox ceiling fan, including its indoor/outdoor capabilities and LED light.

## MAINTENANCE

To ensure the longevity and optimal performance of your Modern Forms Vox Smart Ceiling Fan, follow these general maintenance guidelines:

- **Cleaning:** Regularly wipe down the fan blades and motor housing with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these can damage the finish.
- **Blade Inspection:** Periodically check the fan blades for any dust buildup or debris that might affect balance and airflow.
- **Tighten Fasteners:** Over time, some fasteners may loosen. Annually, check and tighten all screws and connections to ensure secure operation.
- **LED Light:** The LED luminaire is replaceable. If the light output diminishes or fails, consult the specifications for compatible replacement parts and follow the replacement instructions provided by Modern Forms.

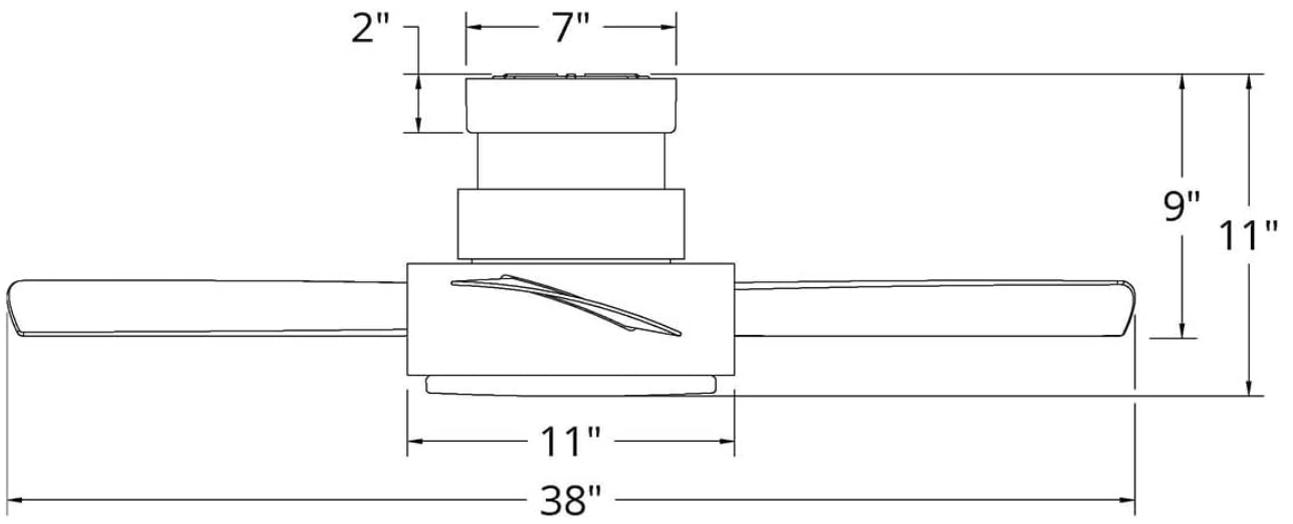

## TROUBLESHOOTING

If you encounter any issues with your Modern Forms Vox Smart Ceiling Fan, refer to the following troubleshooting tips:

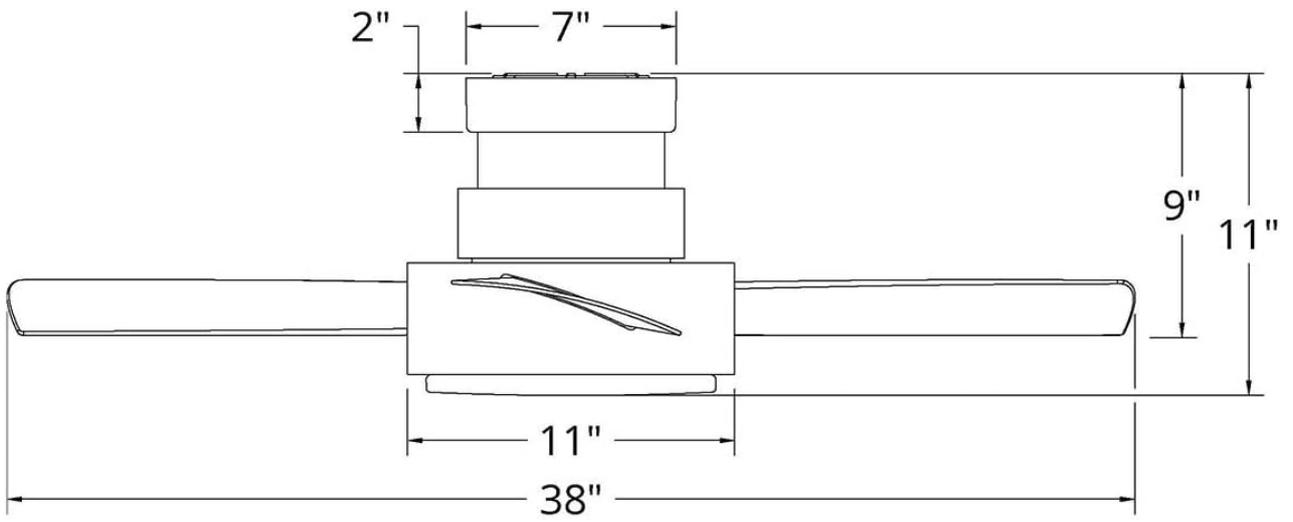

- **Fan Not Responding to Remote/App:**
  - Ensure the remote control batteries (2 CR2032) are correctly installed and not depleted.
  - Verify that your mobile device is connected to the internet and the fan is within range of your Wi-Fi network.
  - Confirm that the fan is powered on at the wall switch.
- **Light Flickering:**
  - If the fan is connected to a wall switch, ensure it is a standard single-pole switch and **not** an incandescent dimmer switch. Incandescent dimmer switches can cause LED lights to flicker.
- **Wi-Fi Connectivity Issues:**
  - Confirm that your home Wi-Fi network is operating on the 2.4 GHz frequency, as the fan is only compatible with this band.
  - Restart your Wi-Fi router and the fan (by turning off power at the circuit breaker for a minute, then turning it back on).
- **Excessive Noise or Wobbling:**
  - While fans are factory-balanced, ensure all mounting hardware and blade screws are securely tightened.
  - Check that the fan is installed on a properly rated electrical box capable of supporting the fan's weight and movement.

If these steps do not resolve the issue, please contact Modern Forms customer support for further assistance.

## SPECIFICATIONS

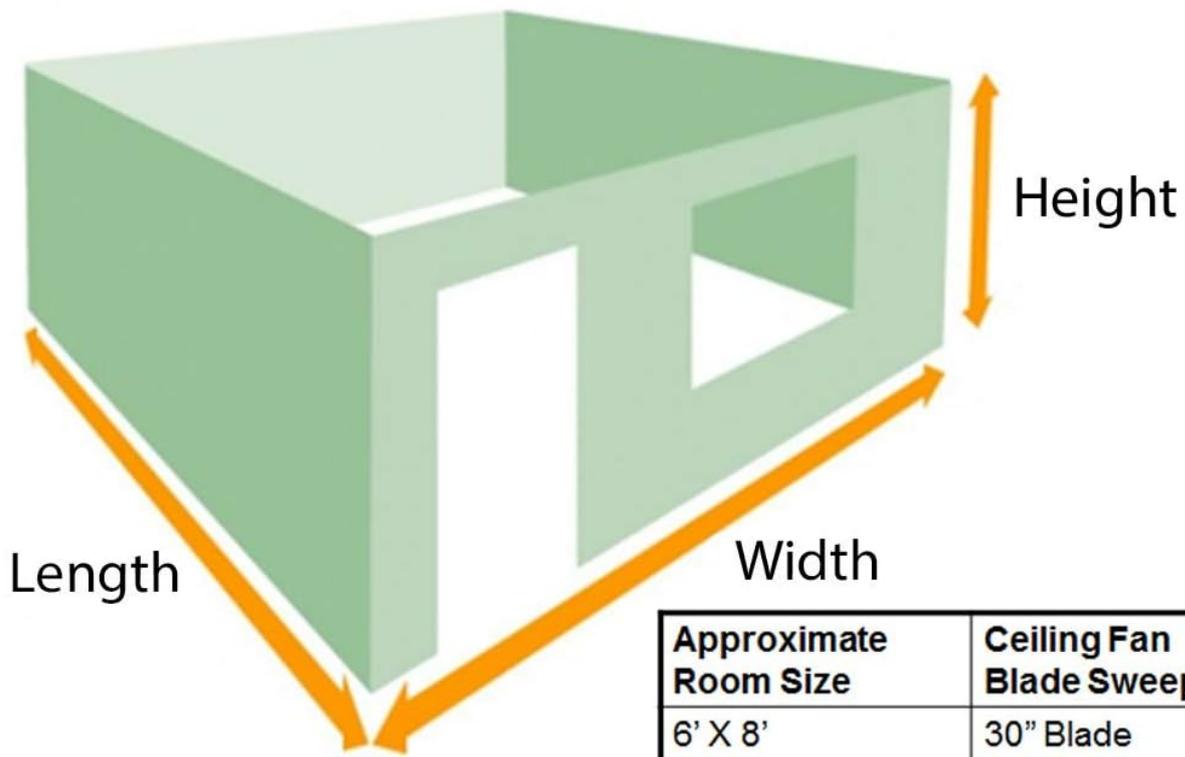

**Image:** Detailed diagram illustrating the length, width, and height of the 38-inch Vox ceiling fan for installation planning.

**Image:** A guide to help determine the appropriate ceiling fan blade span for different room sizes, calculated by square footage.

# HOW TO SIZE YOUR FAN (BLADE SPAN)

$SQ. \text{ Feet} = L \times W \times H$

Example: 10'L, 10'W, 8'H  
 $10 \times 10 \times 8 = 800 \text{ sq. Feet}$

Approximate Room Size	Ceiling Fan Blade Sweep
6' X 8' 40-60 sq. feet	30" Blade Sweep
8' X 10' 60-100 sq. feet	42" to 44" Blade Sweep
10' X 12' 100-400 sq. feet	52" to 54" Blade Sweep
12' X 12' 400-500 sq. feet	56" to 60" Blade Sweep
15' X 15' 500+ sq. feet	64" to 70" Blade Sweep

Image: The Energy Star 'Most Efficient 2020' certification, indicating high energy efficiency of the fan.

Feature	Detail
Brand	Modern Forms
Model Name	Vox
Part Number	FH-W1802-38L-BZ
Color	Bronze
Style	3000K Warm White LED
Size	38in Blade Span
Product Dimensions	38"L x 38"W x 11"H
Item Weight	18.09 Pounds

Material	Aluminum (body), Glass (shade)
Indoor/Outdoor Usage	Indoor, Outdoor (Wet location rated)
Power Source	AC/DC
Installation Type	Flush Mount
Special Features	6 Speed Brushless Silent and Energy Star Certified Efficient DC Motor, App Operable, Smart Home Enabled, Works with Amazon Alexa, Google Assistant, Ecobee, and Samsung Smart Things
Control Method	Remote, App Control, Button Control, Touchpad Control
Light Source Type	LED
Finish Type	Sealed
Shade Material	Frosted Glass
Number of Light Sources	1
Voltage	120 Volts
Light Color	Warm white
Included Components	All Necessary Mounting Hardware, Complete Ceiling Fan - Fan Blades, Motor, Smart Receiver, Installation Instructions & Setup Manual, Light Kit, Remote Control
Specification Met	EPA, Energy Star, FCC, UL, cUL
Wattage	56 watts
Bulb Base	E26 Medium
Connectivity Protocol	Wi-Fi
Brightness	2041 Lumen
Efficiency	High Efficiency
Mounting Type	Flush Mount
Color Temperature	3000 Kelvin
Air Flow Capacity	4200 Cubic Feet Per Minute
Sound Level	15 Decibels
Blade Length	13.5 Inches

Speed	240 RPM
Batteries	2 CR2032 batteries required (included)
UPC	790576573526

## WARRANTY

The Modern Forms Vox Smart Ceiling Fan comes with a comprehensive warranty:

- **Motor:** Lifetime warranty.
- **LED Module:** 5-year warranty.
- **All Other Parts:** 1-year warranty.

Please retain your proof of purchase for warranty claims.
