## FitSand Protective Hard Case

# FitSand Protective Hard Case for Tacklife SC-L01-50 Laser Level

**Brand:** FitSand | **Model:** Protective Hard Case

## 1. INTRODUCTION

---

This instruction manual provides essential information for the proper use and care of your FitSand Protective Hard Case. This case is specifically designed to offer robust protection for the Tacklife SC-L01-50 Laser Level and its accessories. Please read this manual thoroughly to ensure optimal performance and longevity of your protective case.

## 2. PRODUCT FEATURES

---

- **Durable Construction:** Manufactured from high-quality EVA materials, providing shockproof, dustproof, and waterproof protection.
- **Enhanced Interior:** Features a soft inner lining with a crash pad and anti-static properties to safeguard your device from impacts, dents, and scratches.
- **Ample Storage:** Designed with sufficient internal space to accommodate the Tacklife SC-L01-50 Laser Level and additional small accessories.
- **Secure Closure:** Equipped with a durable and smooth 360-degree two-way zipper for easy and secure opening and closing.
- **Portability:** Lightweight design for convenient transport.

## 3. SPECIFICATIONS

---

<b>External Dimensions</b>	5.3 x 5 x 3.3 inches (Length x Width x Height)
<b>Weight</b>	100 grams
<b>Material</b>	Hard EVA (Ethylene-vinyl acetate)
<b>Compatibility</b>	Tacklife SC-L01-50 Laser Level

## 4. USAGE INSTRUCTIONS

---

### 4.1. Placing Your Device

1. Open the case fully using the two-way zipper.
2. Gently place your Tacklife SC-L01-50 Laser Level into the main compartment of the case. Ensure it fits snugly within the molded interior.
3. Utilize the mesh pocket in the lid for storing small accessories such as batteries or charging cables.
4. Close the zipper completely to secure the contents.

## 5. CARE AND MAINTENANCE

---

- **Cleaning:** Wipe the exterior of the case with a soft, damp cloth. For stubborn dirt, a mild soap solution can be used. Avoid harsh chemicals or abrasive cleaners.
- **Drying:** Allow the case to air dry completely before closing or storing any devices inside, especially if it has been exposed to moisture.
- **Storage:** Store the case in a cool, dry place away from direct sunlight and extreme temperatures when not in use.
- **Inspection:** Periodically inspect the zipper and case material for any signs of wear or damage.
