Craftmade ECH54BNK3

Craftmade Echelon 54" Ceiling Fan Instruction Manual

Model: ECH54BNK3 | Brand: Craftmade

PRODUCT OVERVIEW

The Craftmade Echelon 54-inch ceiling fan is designed for both aesthetic appeal and efficient air circulation. This model features a powerful DC motor, an integrated dimmable LED light source, and three plywood blades, all controlled by an included remote. It is suitable for indoor locations.

Image: The Craftmade Echelon 54-inch ceiling fan, showcasing its brushed polished nickel finish, three black plywood blades, and the integrated LED light kit.

IMPORTANT SAFETY INSTRUCTIONS

Please check your local laws and electrical codes before purchasing and installing this product. Always ensure the power supply is disconnected at the circuit breaker before attempting any installation, maintenance, or repair. Installation should be performed by a qualified electrician to ensure safety and compliance with local regulations. Do not attempt to modify the fan or its components. Use only replacement parts specified by the manufacturer.

PRODUCT FEATURES

- **Integrated LED Light Kit:** Features a 22 Watt LED light kit (3000K, 631 Lumens, 90 CRI) for efficient illumination.
- **Optimal Dimensions:** Diameter of 54 inches; overall height of 14.98 inches (from ceiling to bottom of fan light, includes 6-inch downrod).
- **Efficient Airflow:** Equipped with 3 flat black plywood blades with a 15-degree blade pitch, providing a CFM of 4307.
- **Convenient Control:** Includes a 6-fan speed hand-held remote control for easy operation.
- **Energy-Saving Design:** Contemporary ceiling fan with an energy-saving DC motor and a brushed polished nickel finish. UL approved for indoor locations.

CRAFTMADE™ ECHELON- 54" CEILING FAN

MOUNTING TYPE	Downrod Mount
CONTROL	Remote Control Included
BLADES	3 Blades Included
LIGHT KIT	Integrated Light Kit (1-22W LED)
DIMMABLE	Yes (3000K, 90CRI, 631.40 Lumens)
AIRFLOW	1694.94 CFM-Low, 6612.46 CFM-High
MOTOR SIZE	188 x 10 mm, 6-Speed Reversible DC Motor

Image: A technical diagram illustrating the key dimensions of the ceiling fan, including the overall height from the ceiling to the bottom of the light kit (14.98 inches) and the 54-inch blade span.

OPERATING YOUR CEILING FAN

The Craftmade Echelon ceiling fan is operated using the included hand-held remote control. This remote allows you to adjust the fan speed through 6 different settings and control the integrated dimmable LED light kit. Refer to the detailed installation guide for specific instructions on pairing the remote and utilizing all its functions.

CARE AND MAINTENANCE

To maintain the appearance and performance of your Craftmade Echelon ceiling fan, regular cleaning is recommended. The manufacturer specifies 'Hand Wash' for care instructions. Before cleaning, always ensure the fan is turned off and the power supply is disconnected. Use a soft, damp cloth to wipe down the fan blades and motor housing. Avoid using harsh chemicals or abrasive cleaners, as these can damage the finish.

TROUBLESHOOTING GUIDE

If your Craftmade Echelon ceiling fan is not operating as expected, consider the following general troubleshooting steps:

- **No Power:** Check the circuit breaker to ensure power is supplied to the fan. Verify all electrical connections are secure.
- **Remote Not Working:** Ensure the remote control batteries are fresh and correctly inserted. Try re-pairing the remote with the fan according to the installation guide.
- **Fan Wobbles:** Check that all blade screws are tightened and the mounting hardware is securely fastened to the ceiling. Ensure blades are balanced.

- **Light Not Working:** Verify the LED light kit is properly connected. If the light is dimmable, ensure the dimmer setting is not at its lowest.

For persistent issues or complex problems, it is advisable to contact a qualified electrician or Craftmade customer support.

TECHNICAL SPECIFICATIONS

Specification	Detail
Diameter	54 Inches
Item Weight	17.82 Pounds
Specific Instructions for Use	General Purpose
Material	Silicon Steel/Plywood/Glass, Aluminum, Copper
Finish Types	Brushed, Polished Nickel
Care Instructions	Hand Wash
Certifications	cULus
Assembly Required	Yes
Number of Pieces	1
Batteries Required	Yes (for remote control)
Included Components	Motor, Blades, Hardware Pack, Installation Guide
Colour	Brushed Polished Nickel
Electric Fan Design	Ceiling Fan
Power Source	Corded Electric
Style	Contemporary
Special Feature	Wall or Remote Control
Recommended Uses	Air Circulation, Cooling, Ventilating
Mounting Type	Ceiling Mount
Controller Type	Remote Control

WARRANTY AND CUSTOMER SUPPORT

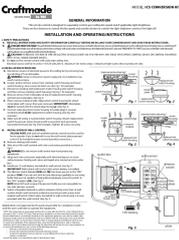

All Craftmade products purchased come with a 30-day replacement parts policy to ensure a fully working item. Additionally,

all products are covered under a 1-Year warranty when purchased on Amazon. The warranty period commences on the original shipping date of the product. This warranty covers all items and conditions specified in the original manufacturer's warranty. Please note that the warranty specifically excludes loss and theft, water damage, customer abuse, and finish deterioration due to UV or coastal exposure.

For further assistance, technical support, or warranty claims, please contact Craftmade customer service. Refer to the contact information provided in your product packaging or on the official Craftmade website.
