4. Setup and Assembly Instructions

Follow the step-by-step instructions provided in the included assembly booklet to construct your Police Station. The assembly process typically involves:

1. **Unpacking:** Carefully open the box and sort the building pieces. It is recommended to organize pieces by color or type to facilitate assembly.
2. **Following the Booklet:** Refer to the numbered steps in the instruction booklet. Each step illustrates which pieces are needed and where they should be placed.
3. **Base Construction:** Begin by building the base structure of the police station, ensuring all foundation pieces are securely connected.
4. **Layer by Layer:** Construct the building layer by layer, adding walls, floors, windows, and doors as indicated.
5. **Adding Details:** Integrate smaller details, furniture, and accessories as you progress through the assembly.
6. **Vehicle and Figure Assembly:** Assemble any included vehicles (e.g., police car, ambulance, helicopter, motorcycle) and minifigures separately according to their specific instructions.
7. **Final Placement:** Once all components are built, arrange them as desired to create your complete police station scene.

Ensure all connections are firm to maintain the structural integrity of the model.

5. Operating Instructions

Once assembled, the Sluban M38-B0660 Police Station is ready for imaginative play. This set is designed for interactive scenarios and can be reconfigured.

- **Interactive Play:** Use the included minifigures and vehicles to create various police-themed stories and adventures within the station environment.
- **Modular Design:** The police station features a modular design, allowing sections to be opened, closed, or rearranged to create different play configurations. Refer to the assembly instructions or product images for examples of possible transformations.
- **Accessory Use:** Integrate the helicopter, motorcycle, ATV, and ambulance into your play scenarios for dynamic action.

Encourage creative storytelling and role-playing with the set's components.

6. Maintenance

Proper care will ensure the longevity of your building set.

- **Cleaning:** To clean the plastic pieces, wipe them gently with a damp cloth. For deeper cleaning, use mild soap and water, then rinse thoroughly and air dry. Avoid harsh chemicals or abrasive cleaners.
- **Storage:** Store the building set in a cool, dry place away from direct sunlight to prevent discoloration or warping of plastic pieces. Keep small pieces in a container to prevent loss.
- **Disassembly:** If disassembling the set for storage, do so carefully to avoid damaging the connection points of the blocks.

7. Troubleshooting

Here are solutions to common issues you might encounter:

- **Missing Pieces:** If you find any pieces missing, double-check the packaging and surrounding area. If still missing, contact Sluban customer support (information not provided in product details, refer to manufacturer's website).
- **Difficulty Connecting Pieces:** Ensure pieces are correctly oriented and aligned. Apply gentle, even pressure. Avoid forcing pieces, as this can cause damage.
- **Structure Instability:** Re-examine the assembly steps for the unstable section. Ensure all pieces are firmly pressed together and correctly placed according to the instructions.
