iHome iHome Beauty Vanity Mirror (Model 0)

iHome Beauty Vanity Mirror User Manual

Model: iHome Beauty Vanity Mirror (Model 0)

INTRODUCTION

This manual provides detailed instructions for the setup, operation, and maintenance of your iHome Beauty Vanity Mirror. This device features integrated LED lighting, Bluetooth audio streaming, a USB charging port, and support for voice assistants like Siri and Google Assistant. Please read this manual thoroughly before using the product to ensure proper function and safety.

SAFETY INFORMATION

Caution: This product has sharp edges. Handle with care to avoid injury. Do not use near water or other liquids to prevent electrical hazards. Always follow the manufacturer's instructions for safe use and installation.

- Do not expose the unit to extreme temperatures or direct sunlight.
- Do not immerse the unit in water or other liquids.
- Use only the provided power adapter or a compatible replacement.
- Keep out of reach of children.
- Unplug the unit during lightning storms or when unused for long periods.

PACKAGE CONTENTS

- iHome Beauty Vanity Mirror
- Power Adapter (not explicitly listed but implied for operation)
- User Manual (this document)

FEATURES

- Integrated LED lighting for optimal visibility.
- Bluetooth audio for wireless music streaming.
- USB charging port for mobile devices.

- Built-in microphone for hands-free calling and voice assistant access.
- Adjustable mirror angle.

PRODUCT OVERVIEW

This image displays the iHome Beauty Vanity Mirror, featuring a circular mirror with an integrated LED light ring. The mirror is mounted on a white stand, and the base includes control buttons for power, Bluetooth pairing, light adjustment, volume, and voice assistant activation.

Control Buttons

- **Power Button ()**: Turns the unit on or off.
- **Bluetooth Pairing Button ()**: Initiates Bluetooth pairing mode.
- **Light Button ()**: Controls the LED mirror light.
- **Volume Down Button (-)**: Decreases audio volume.
- **Volume Up Button (+)**: Increases audio volume.
- **Microphone/Voice Assistant Button ()**: Activates Siri or Google Assistant.

SETUP

1. **Unpack the Mirror**: Carefully remove all components from the packaging.
2. **Position the Mirror**: Place the mirror on a stable, flat surface.
3. **Connect Power**: Plug the included power adapter into the DC input jack on the back of the mirror's base. Then, plug the adapter into a standard wall outlet.

OPERATING INSTRUCTIONS

Power On/Off

- Press the **Power Button ()** once to turn the mirror on.
- Press and hold the **Power Button ()** for a few seconds to turn the mirror off.

LED Lighting Control

- With the mirror powered on, press the **Light Button ()** to cycle through different light settings (e.g., on, off, brightness levels if applicable).

Bluetooth Audio Pairing

1. Ensure the mirror is powered on.
2. Press and hold the **Bluetooth Pairing Button ()** until the Bluetooth indicator light flashes, indicating pairing mode.
3. On your mobile device, enable Bluetooth and search for available devices.
4. Select "iHome Mirror" (or similar name) from the list of devices.
5. Once paired, the Bluetooth indicator light will become solid, and you can stream audio to the mirror.

Audio Playback and Volume

- Use the **Volume Up (+)** and **Volume Down (-)** buttons on the mirror's base to adjust the audio level.
- Control playback (play/pause, skip tracks) directly from your paired Bluetooth device.

USB Charging

- Connect your mobile device's USB charging cable to the USB port located on the back of the mirror's base.
- Ensure the mirror is powered on for the USB charging function to operate.

Voice Assistant (Siri/Google Support)

- With your mobile device paired via Bluetooth, press the **Microphone/Voice Assistant Button** () to activate your device's voice assistant (Siri or Google Assistant).
- Speak your command clearly into the mirror's microphone.

MAINTENANCE

- **Cleaning the Mirror:** Use a soft, lint-free cloth and a non-abrasive glass cleaner. Spray the cleaner onto the cloth, not directly onto the mirror surface, to avoid liquid seeping into the electronics.
- **Cleaning the Base:** Wipe the base with a dry or slightly damp soft cloth. Do not use harsh chemicals or abrasive cleaners.
- **Storage:** When not in use for extended periods, store the mirror in a cool, dry place.

TROUBLESHOOTING

No Power / Light Not Turning On:

Ensure the power adapter is securely connected to both the mirror and a working wall outlet.

Bluetooth Not Connecting:

Make sure the mirror is in Bluetooth pairing mode (flashing indicator). Check that Bluetooth is enabled on your device and it is within range. Try unpairing and re-pairing the device.

No Audio from Speaker:

Verify that the mirror is successfully paired via Bluetooth. Check the volume levels on both the mirror and your connected device. Ensure no other device is connected to the mirror.

USB Charging Not Working:

Confirm the mirror is powered on. Check the USB cable for damage and ensure it is properly connected to both the mirror and your device.

SPECIFICATIONS

Feature	Detail
Brand	iHome
Model Number	0
Shape	Oval

Frame Material	Metal
Mounting Type	USB
Special Feature	Lighted
Material	Glass
Item Weight	2.53 pounds
Product Dimensions (L x W x H)	8.55 x 5.52 x 14.14 inches
UPC	047532914320
Date First Available	December 8, 2018
