# Forte Jupiter Wardrobe 200 210 Instruction Manual

Model: JPTS86T-Z12M

## 1. PRODUCT OVERVIEW

The Forte Jupiter Wardrobe 200 210 is a spacious 4-door wardrobe designed to provide ample storage for your clothing and personal items. It features a clean white finish, with a central section offering a shelf and a hanging rail, and two side sections each equipped with two shelves and three drawers for smaller garments. This wardrobe is delivered disassembled and requires assembly.

## 2. SAFETY INFORMATION

---

For your safety and to prevent tipping, it is highly recommended to mount the wardrobe to the wall using the included hardware. Failure to do so may result in serious injury.

- The hanging rail has a maximum load capacity of **15 kg (33 lbs)**.
- Each shelf can support a maximum load of **5 kg (11 lbs)**.
- Ensure all components are securely fastened during assembly.
- Keep small parts away from children during assembly to prevent choking hazards.

## 3. COMPONENTS AND PARTS LIST

---

Before beginning assembly, verify that all parts are present and undamaged. This product is shipped in multiple packages, which may arrive at different times. Refer to the detailed assembly instructions provided in the packaging for a complete list of components and hardware.

## Key Features:

- Aluminum-colored plastic handles.
- Drawers on metal runners for smooth operation.
- Easy-care surface finish.
- Includes wall mounting hardware.
- Central section with 1 hanging rail and 1 shelf.
- Two side sections, each with 2 shelves and 3 drawers.

## 4. SETUP AND ASSEMBLY

---

Assembly of the Forte Jupiter Wardrobe requires careful attention to the detailed instructions provided in the packaging. It is recommended to assemble the wardrobe on a flat, clean surface, preferably with the assistance of another person due to its size and weight.

1. **Unpack and Organize:** Carefully unpack all boxes and lay out the components. Group similar parts and hardware together. Check against the parts list in the manual.
2. **Assemble Drawers:** Begin by assembling all six drawers. Ensure metal runners are correctly installed for smooth operation.
3. **Construct Base and Frame:** Follow the instructions to build the base and main frame of the wardrobe. This typically involves connecting side panels and the bottom panel.
4. **Install Internal Shelves and Rails:** Insert the internal shelves and hanging rails into their designated positions.
5. **Attach Back Panels:** Securely attach the back panels. Precision is key here to ensure the wardrobe is stable and square.
6. **Erect the Wardrobe:** With assistance, carefully lift the assembled frame into its upright position.
7. **Install Doors and Drawers:** Attach the four doors and slide the assembled drawers into their compartments. Adjust hinges as necessary to ensure doors align and close properly.
8. **Wall Mounting:** For safety, secure the wardrobe to the wall using the provided anti-tip hardware. Locate wall studs if possible for maximum stability.

*Note:* The assembly process can take several hours. Take your time and follow each step carefully. If you encounter

difficulties, refer to the troubleshooting section or contact customer support.

## 5. OPERATING INSTRUCTIONS

The Forte Jupiter Wardrobe is designed for straightforward use. Once assembled and secured, it provides organized storage for various items.

- **Doors:** Gently open and close the swing doors using the handles. Avoid forcing them to prevent damage to hinges or the frame.
- **Drawers:** Pull drawers out smoothly using the handles. Do not overload drawers beyond their weight capacity (5 kg per drawer) to ensure longevity of the metal runners.
- **Hanging Rail:** Utilize the central hanging rail for clothes that require hanging, such as shirts, dresses, or coats. Do not exceed the 15 kg weight limit.
- **Shelves:** Use the internal shelves for folded clothing, accessories, or other items. Distribute weight evenly and do not exceed the 5 kg weight limit per shelf.

## 6. MAINTENANCE

Regular maintenance will help preserve the appearance and functionality of your Forte Jupiter Wardrobe.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals, as these can damage the finish. Dry immediately with a clean cloth.
- **Hardware Check:** Periodically check all screws and fittings to ensure they remain tight. Tighten any loose connections to maintain stability.
- **Ventilation:** If the wardrobe has a new furniture smell, ensure the room is well-ventilated for at least a week after assembly.
- **Avoid Overloading:** Adhere to the specified weight limits for shelves and the hanging rail to prevent sagging or damage.
- **Sunlight Exposure:** Avoid prolonged direct sunlight exposure, which can cause fading or discoloration of the finish.

## 7. TROUBLESHOOTING

If you encounter issues with your wardrobe, refer to the common problems and solutions below:

Problem	Possible Cause	Solution
Wardrobe feels wobbly or unstable.	Loose fittings; uneven floor; not wall-mounted.	Ensure all screws are tightened. Use shims under the base if the floor is uneven. <b>Crucially, secure the wardrobe to the wall using the provided anti-tip hardware.</b>
Doors do not align or close properly.	Hinges are not adjusted correctly; wardrobe is not level.	Adjust the door hinges using a screwdriver (refer to assembly manual for hinge adjustment details). Ensure the wardrobe is level and square.
Drawers stick or do not slide smoothly.	Overloaded drawer; misaligned runners; debris in runners.	Reduce the weight in the drawer. Check that the metal runners are correctly installed and free of obstructions. Ensure the drawer box is assembled squarely.

Problem	Possible Cause	Solution
Damaged or missing parts upon delivery.	Shipping damage; packaging error.	Contact the retailer or manufacturer's customer service immediately with details of the damaged/missing parts and your purchase information.
