Spigen Smart Fold 2 (053CS23994)

Spigen Smart Fold 2 Flip Case User Manual

For iPad 9.7 inch (2017/2018) - Model: 053CS23994

1. Introduction

Thank you for choosing the Spigen Smart Fold 2 Flip Case. This manual provides detailed instructions for the proper installation, use, and maintenance of your new iPad case. Designed for the iPad 9.7 inch (2017/2018), this case offers comprehensive protection and enhanced functionality.

2. Compatibility

The Spigen Smart Fold 2 Flip Case is specifically designed for the following models:

- iPad 9.7 inch (2017)
- iPad 9.7 inch (2018)

Important: This case is NOT compatible with iPad Pro 9.7 inch or any other iPad models.

Image: Visual guide illustrating the compatibility of the case with iPad 9.7 (2017/2018) and its incompatibility with iPad Pro 9.7, highlighting differences in camera placement and dimensions.

3. Features

3.1. Material Composition

The Smart Fold 2 case is constructed from a combination of durable materials to provide optimal protection and a comfortable feel:

- **Exterior:** Synthetic Leather for a premium look and feel.
- **Interior Lining:** Soft Microfiber to prevent scratches on your iPad screen.
- **Frame:** Flexible Thermoplastic Polyurethane (TPU) for shock absorption and easy installation.

3.2. Built-in Pencil Holder

A dedicated slot is integrated into the case design to securely hold your Apple Pencil, ensuring it is always accessible and protected.

Image: A close-up of the case's side, demonstrating the secure fit of an Apple Pencil within its holder.

3.3. Auto Wake/Sleep Functionality

The magnetic cover supports your iPad's auto wake/sleep feature. Opening the cover will automatically wake your iPad, and closing it will put your iPad to sleep, helping to conserve battery life.

3.4. Trifold Stand Functionality

The trifold design of the front cover allows for versatile viewing and typing angles, enhancing your iPad experience.

Image: The case configured in two different stand modes, one for upright viewing and another for a lower typing angle.

3.5. Precise Cutouts

The case features precise cutouts for all ports, buttons, speakers, and the camera, ensuring full access and functionality without needing to remove the case.

Image: A detailed view of the case's bottom edge, showing accurate cutouts for the charging port and speakers.

3.6. Scratch-free Protection

The full-cover design, combined with the soft microfiber interior, provides comprehensive protection against scratches, minor impacts, and daily wear and tear.

4. Setup and Installation

Follow these steps to install your iPad into the Spigen Smart Fold 2 Flip Case:

1. **Clean Your iPad:** Ensure your iPad's back and screen are clean and free of dust or debris before installation.
2. **Align the iPad:** Gently align your iPad with the TPU frame of the case, starting with the camera corner.
3. **Insert the iPad:** Press the iPad firmly but carefully into the flexible TPU frame, ensuring all corners and edges are securely seated. The flexible material allows for easy insertion and removal.
4. **Check Fit:** Verify that all ports, buttons, and the camera are properly aligned with the case's cutouts and are fully accessible.

5. Operating Instructions

5.1. Using the Trifold Stand

To use the trifold stand feature:

- **Viewing Mode:** Fold the front cover into a triangular stand. This position is ideal for watching videos or making video calls.
- **Typing Mode:** Fold the front cover into a lower, more angled triangular stand. This position provides a comfortable incline for typing.

5.2. Using the Apple Pencil Holder

To use the integrated Apple Pencil holder:

- Gently slide your Apple Pencil into the designated slot on the side of the case.
- Ensure the Pencil is fully seated to prevent it from falling out.
- To remove, gently push the Pencil from the bottom or pull it from the top.

6. Maintenance

To keep your Spigen Smart Fold 2 Flip Case in optimal condition:

- **Cleaning:** Wipe the exterior synthetic leather with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Interior:** Gently wipe the microfiber lining with a dry, soft cloth to remove dust.
- **Avoid Extreme Conditions:** Do not expose the case to extreme temperatures, direct sunlight for prolonged periods, or excessive moisture.

7. Troubleshooting

If you encounter any issues with your case, consider the following:

- **iPad Not Fitting:** Double-check the compatibility section (Section 2) to ensure your iPad model is supported. Ensure the iPad is aligned correctly before pressing it into the frame.
- **Auto Wake/Sleep Not Working:** Ensure the iPad is fully seated in the case and that the magnetic cover is closing completely and flat against the screen. Check your iPad settings to ensure 'Lock/Unlock' is enabled under 'Display & Brightness'.
- **Pencil Holder Too Tight/Loose:** The holder is designed for a snug fit. If it feels too tight, ensure the Pencil is inserted straight. If it feels loose, verify it is an official Apple Pencil.
