

## Auffel A-4849

# Auffel 13-Inch Crystal Flush Mount LED Ceiling Light

Model: A-4849 | Brand: Auffel

## INTRODUCTION

This manual provides detailed instructions for the safe installation, operation, and maintenance of your Auffel 13-Inch Crystal Flush Mount LED Ceiling Light. Please read this manual thoroughly before installation and retain it for future reference.

## SAFETY INFORMATION

- **WARNING:** To avoid electric shock, ensure power is turned off at the circuit breaker before installation or servicing.
- All electrical connections must be in accordance with local codes, ordinances, or the National Electric Code (NEC). Consult a qualified electrician if you are unfamiliar with electrical wiring.
- Do not install this fixture in wet locations or expose it to steam. This product is designed for indoor use only.
- Handle crystal components with care to prevent damage or injury.
- Ensure the mounting surface can support the weight of the fixture.

## PACKAGE CONTENTS

Verify that all components are present before beginning installation:

- 1 x Auffel 13-Inch Crystal Flush Mount LED Ceiling Light Fixture
- Mounting Hardware (screws, wire nuts, anchors)
- Installation Instructions

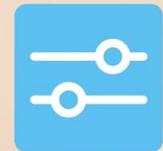

*Note: The fixture includes integrated LED chips; no additional bulbs are required.*

## SETUP AND INSTALLATION

Follow these steps to install your ceiling light fixture. It is recommended to have a second person assist during installation.

- 1. Prepare for Installation:** Turn off power at the main circuit breaker. Clear the work area and gather necessary tools (screwdriver, wire strippers, ladder).
- 2. Attach Mounting Bracket:** Secure the mounting bracket to the junction box in the ceiling using the provided screws. Ensure it is firmly attached.
- 3. Connect Wiring:** Connect the fixture's wires to the corresponding household wires (black to black, white to white, ground to ground) using wire nuts. Ensure all connections are secure.
- 4. Mount the Fixture Base:** Carefully align the fixture base with the mounting bracket and secure it with the provided screws.
- 5. Install Crystal Lampshade:** Place the crystal lampshade onto the fixture base, aligning the holes. Secure it with the decorative screws or caps.
- 6. Restore Power:** Once installation is complete, turn the power back on at the circuit breaker.

## OPERATING INSTRUCTIONS

The Auffel Crystal Flush Mount LED Ceiling Light is designed for simple operation.

- **Turning On/Off:** Use your standard wall switch to turn the light fixture on or off.
- **Dimming Function:** This fixture is dimmable. To utilize the dimming feature, you must connect it to a compatible dimmer switch (not included). Follow the dimmer switch manufacturer's instructions for installation and operation.

## MAINTENANCE

To ensure the longevity and appearance of your light fixture, follow these maintenance guidelines:

- **Cleaning:** Before cleaning, ensure the power is turned off at the circuit breaker. Use a soft, dry, or slightly damp cloth to wipe the metal and crystal surfaces. Avoid abrasive cleaners, solvents, or polishes as they may damage the finish.
- **Crystal Care:** Gently wipe the crystal elements to remove dust and fingerprints. For a deeper clean, a mild glass cleaner can be applied to a cloth (not directly to the fixture).
- **No Bulb Replacement:** Since this fixture uses integrated LED chips, there are no bulbs to replace.

## TROUBLESHOOTING

Problem	Possible Cause	Solution
---------	----------------	----------

Light does not turn on	1. Power is off. 2. Loose wiring connection. 3. Faulty fixture.	1. Check circuit breaker and wall switch. 2. Turn off power and check all wire connections. 3. Contact customer support if steps 1 & 2 do not resolve the issue.
Light flickers	1. Incompatible dimmer switch. 2. Loose wiring.	1. Ensure dimmer switch is LED compatible. Replace if necessary. 2. Turn off power and check all wire connections.
Light is dim or not bright enough	1. Dimmer setting too low. 2. Room size exceeds recommended coverage.	1. Adjust dimmer switch to a higher setting. 2. Consider additional lighting for larger spaces.
