SETUP AND ADJUSTMENT

1. **Positioning:** Place the Tushbaby hip seat high and tight above your natural waistline.
2. **Secure Velcro:** Wrap the wide waistband around your waist and firmly secure the Velcro closure.
3. **Buckle Fastening:** Fasten the main buckle for additional security. Ensure it clicks into place.
4. **Adjust Straps:** Adjust the straps to achieve a snug and comfortable fit. The carrier should feel secure without being overly tight.
5. **Child Placement:** Once the carrier is securely fastened, place your child on the cushioned seat. Ensure they are centered and balanced.

OPERATING: CARRYING POSITIONS

The Tushbaby carrier supports four primary carrying positions:

- **Face-to-Face:** Child faces the caregiver, providing close contact and support.
- **Front-Facing:** Child faces outwards, allowing them to observe their surroundings.
- **Side Carry:** Child is positioned on the caregiver's hip, ideal for toddlers who want to be up and down frequently.
- **Feeding Support:** The hip seat provides a stable platform for comfortable feeding.

STORAGE FEATURES

The Tushbaby carrier is equipped with multiple storage compartments to keep your essentials organized and accessible:

- **Large Storage Pocket:** Located under the seat, suitable for diapers, wipes, or larger items.
- **Two Side Pockets:** Convenient for smaller items like keys, pacifiers, or snacks.
- **Hideable Bottle Holder:** A mesh pocket designed to hold a baby bottle or water bottle, which can be tucked away when not in use.
- **Front Zipper Pocket:** Ideal for securing your phone or wallet.

MAINTENANCE

To ensure the longevity and hygiene of your Tushbaby carrier, follow these care instructions:

- **Machine Wash:** The carrier is machine washable. Use a gentle cycle with cold water.
- **Mild Detergent:** Use a mild, baby-safe detergent.
- **Air Dry:** Hang to air dry. Do not tumble dry, bleach, or iron.
- **Inspect Regularly:** Before each use, inspect the carrier for any signs of wear, tear, or damage to buckles and seams.

TROUBLESHOOTING

If you encounter any issues with your Tushbaby carrier, consider the following:

- **Discomfort for Parent:** Ensure the waistband is positioned high and tight above your waist. Adjust the straps for optimal lumbar support.
- **Child Sliding:** Verify that the anti-slip seat patch is clean and free from debris. Ensure your child is seated correctly and securely.
- **Buckle Issues:** Check that all buckles are fully engaged and not obstructed. If a buckle is damaged, discontinue use and contact support.
- **General Fit:** If the carrier feels too loose or too tight, re-adjust the Velcro and buckle straps. A waistband extender is available separately for larger waist sizes.
