OPERATING INSTRUCTIONS

The Devoko Rocking Bistro Set is designed for comfortable outdoor relaxation.

- **Rocking Chairs:** The chairs feature a gentle rocking function. Sit centrally and use a smooth, controlled motion for rocking. Avoid excessive force or sudden movements.
- **Coffee Table:** The tempered glass coffee table provides a stable surface for beverages, books, or small items. Do not place excessively heavy objects on the table.
- **Placement:** This set is suitable for various outdoor spaces such as patios, gardens, lawns, balconies, and poolside areas. Ensure the set is placed on a flat, stable surface.

MAINTENANCE

Proper maintenance will extend the lifespan and appearance of your bistro set.

- **Cleaning:** Wipe the rattan and steel frame with a dry cloth to remove dust and debris. For more stubborn dirt, use a mild soap solution and a soft cloth, then rinse thoroughly and dry immediately.
- **Cushions:** The cushions are designed for outdoor use. While they are weather-resistant, it is recommended to store them indoors during heavy rain or prolonged periods of non-use to maintain their quality.
- **Frame:** The steel frame is rust-proof. However, regular inspection for any signs of wear or damage is advised.
- **Glass Tabletop:** Clean the tempered glass tabletop with a glass cleaner and a soft cloth. Avoid abrasive cleaners or scouring pads that could scratch the surface.
- **UV Protection:** The rattan material is UV-resistant, helping to prevent fading from sun exposure.
