

## Superer ADP190342L

# Superer 65W AC Charger Instruction Manual

Model: ADP190342L

## 1. INTRODUCTION

This instruction manual provides essential information for the safe and effective use of your Superer 65W AC Charger. This charger is designed to power and charge compatible Acer Aspire 3 series laptops. Please read this manual thoroughly before use and retain it for future reference.

**Compatible Models:** Acer Aspire 3 A315-52, A315-53, A315-53G, A317-51, A315-42G, N19C2, A317-51G, A317-51K, A317-51KG.

## 2. SAFETY INFORMATION

Your Superer AC Charger is designed with multiple safety features to ensure reliable operation. Adhere to the following guidelines for safe use:

- Ensure the charger is connected to a power outlet with the correct voltage (110 Volts).
- Do not expose the charger to water, moisture, or extreme temperatures.
- Avoid dropping or subjecting the charger to strong impacts.
- Do not attempt to disassemble or modify the charger.
- Keep the charger away from children and pets.
- Unplug the charger from the power outlet when not in use for extended periods.

This charger is UL Listed, meeting high standards for electrical safety. It incorporates the following protection mechanisms:

- **Short Circuit Protection (SCP):** Prevents damage from short circuits.
- **Overvoltage Protection (OVP):** Safeguards against excessive voltage input.
- **Overcurrent Protection (OCP):** Protects against excessive current flow.
- **Overheating Protection (OHP):** Prevents damage due to high temperatures.
- **Electrostatic Protection:** Shields against electrostatic discharge.

- **Magnetic Field Protection:** Reduces interference from magnetic fields.

## 5. OPERATING INSTRUCTIONS

---

Once properly connected, the charger will automatically begin supplying power to your laptop and charging its battery. A charging indicator light on the adapter will illuminate to confirm active charging.

- The charger provides 65 watts of power at 3.42 Amps.
- The charging indicator light provides visual confirmation of power delivery.

## 6. MAINTENANCE

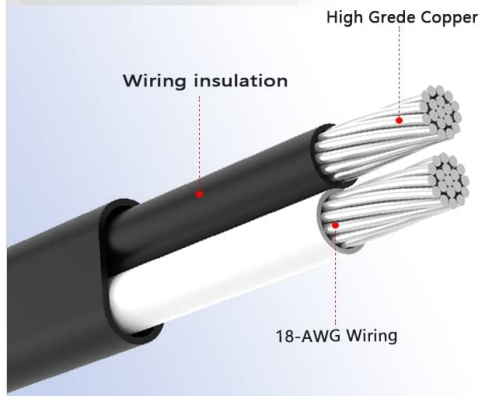

---

To ensure the longevity and optimal performance of your Superer AC Charger, follow these maintenance tips:

- **Cable Care:** Avoid sharp bends, twists, or excessive pulling on the power cord. The cord is designed for durability but can be damaged by improper handling.
- **Cleaning:** Disconnect the charger from both the power outlet and your laptop before cleaning. Use a soft, dry cloth to wipe the adapter and cable. Do not use liquid cleaners.
- **Storage:** When not in use, store the charger in a cool, dry place. Avoid wrapping the cable too tightly around the adapter.

The charger features an extra-long 10ft power cable for convenience and is constructed with high-grade copper for superior durability.

### About our Customer Service

## Superior Durability

Power Cord effortlessly withstands every tug, twist, and tangle

## Extra Long Power Cord

Total 10Ft Power Cable provides more convenience for your life
