# Lemax Eerie-Go-Round Model 84331 Instruction Manual

Brand: Lemax | Model: 84331

## 1. INTRODUCTION

The Lemax Eerie-Go-Round is an animated Halloween village accessory designed to enhance your seasonal display. This piece features a carousel with costumed figures that revolve, accompanied by haunted carnival music. It is intended for indoor decorative use.

## 2. SAFETY INFORMATION

---

- This product is not a toy. Keep out of reach of small children.
- For indoor use only. Do not expose to water or extreme temperatures.
- Use only the specified battery type and voltage. Incorrect batteries may cause damage or fire.
- If using an AC adapter (sold separately), ensure it is a compatible Lemax Power Adaptor.
- Do not attempt to disassemble or modify the product.
- Dispose of batteries responsibly according to local regulations.

## 3. PACKAGE CONTENTS

---

Upon unpacking, please ensure all components are present and undamaged:

- 1 x Lemax Eerie-Go-Round Animated Piece (Model 84331)

*Note: Three AA size 1.5V batteries and an A/C power adaptor are not included and must be purchased separately.*

## 4. SETUP

---

### 4.1 Battery Installation

1. Locate the battery compartment on the underside of the Eerie-Go-Round.
2. Open the battery compartment cover.
3. Insert three (3) AA size 1.5V batteries, ensuring correct polarity (+/-) as indicated inside the compartment.
4. Close the battery compartment cover securely.

### 4.2 Optional AC Adaptor Use

The Eerie-Go-Round can also be powered by a Lemax Power Adaptor (sold separately). If using an adaptor:

1. Locate the power input jack on the back or side of the unit.
2. Connect the compatible Lemax Power Adaptor to the unit and then plug it into a standard electrical outlet.
3. When using an AC adaptor, batteries are not required and should be removed to prevent leakage.

## 5. OPERATING INSTRUCTIONS

---

### 5.1 Power On/Off

Locate the power switch, typically on the back or side of the base. Toggle the switch to the 'ON' position to activate the Eerie-Go-Round. Toggle to 'OFF' to power down the unit.

### 5.2 Animated Effects and Music

Once powered on, the Eerie-Go-Round will begin its animated sequence: the costumed figures will revolve, and the unit will play haunted carnival music. The pumpkin at the top may also illuminate.

### 5.3 Volume Control

A volume control dial or switch is integrated into the unit. Adjust this control to set the desired audio level for the haunted carnival music.

## 6. MAINTENANCE

### 6.1 Cleaning

To clean the Eerie-Go-Round, gently wipe the surface with a soft, dry cloth. Do not use abrasive cleaners, solvents, or excessive moisture, as these can damage the finish or electronic components.

### 6.2 Storage

When storing the unit for extended periods, remove all batteries to prevent potential leakage and corrosion. Store in a cool, dry place away from direct sunlight and extreme temperatures.

## 7. TROUBLESHOOTING

- **Unit does not power on or animate:**
  - Ensure batteries are correctly installed and are fresh.
  - If using an AC adaptor, verify it is properly connected and the power outlet is functional.
  - Check that the power switch is in the 'ON' position.
- **Music is distorted or too quiet/loud:**
  - Adjust the volume control.
  - If using batteries, low battery power can affect sound quality; replace batteries if necessary.
- **Mechanical noise during operation:**
  - Some mechanical sounds are normal for animated pieces. If the noise is excessive or unusual, ensure the unit is placed on a flat, stable surface.
  - Do not attempt to lubricate internal components.
