6. MAINTENANCE

Proper care will ensure the longevity of your Mega Construx figure.

- **Storage:** Store the figure and its components in a cool, dry place away from direct sunlight to prevent discoloration or material degradation.

- **Handling:** Handle the figure with care to prevent pieces from detaching. Avoid dropping or applying excessive force.

7. TROUBLESHOOTING

If you encounter any issues with your Mega Construx Bulbasaur Figure, refer to the following common solutions:

- **Pieces not fitting:** Ensure you are using the correct pieces as indicated in the visual instructions. Some pieces may require a firm, but gentle, push to connect. Do not force pieces together.
- **Figure falling apart:** Recheck all connections to ensure pieces are fully seated. If a specific joint is consistently loose, it may indicate a manufacturing defect; contact customer support.
