MODEL: SA-20180730-A

Introduction

This instruction manual provides detailed guidance for the assembly, operation, and maintenance of your Sawaruita 30-Pack Mini Building Blocks Vehicle Set. This set includes 30 individual mini vehicle kits, each designed to offer creative building and play experiences. Please read all instructions carefully before use.

Safety Information

WARNING: CHOKING HAZARD - Small parts. Not for children under 6 years.

When using this toy, adult supervision is required to prevent accidental ingestion of small parts, which poses a suffocation risk. Ensure all small components are kept away from young children.

Package Contents

Your Sawaruita 30-Pack Mini Building Blocks Vehicle Set includes:

- 30 x Individually packaged mini vehicle building block kits
- 30 x Individual instruction manuals (one for each mini vehicle)
- 1 x City playmat (approximately 27.55 x 17.71 inches)

Each mini vehicle kit contains all necessary pieces to construct one vehicle, often with options for two different configurations.

Setup and Assembly

Each mini vehicle comes in its own sealed bag with a dedicated instruction sheet. Follow the step-by-step pictorial instructions provided with each kit for assembly.

General Assembly Steps:

1. Open one individual mini vehicle kit bag.
2. Carefully review the included instruction sheet for the specific vehicle.
3. Identify all pieces required for the chosen vehicle configuration.
4. Connect the building blocks firmly according to the sequence shown in the instructions.
5. Ensure all connections are secure for stable construction.

2-in-1 Construction Options:

Many of the mini vehicles in this set offer two distinct assembly methods, allowing for varied designs and extended play. Refer to the individual instruction sheets to explore these alternative builds.

Operating Instructions

Once assembled, the mini vehicles are ready for imaginative play. Encourage children to create their own scenarios, such as:

- **Fire Rescue Missions:** Use the fire trucks to simulate extinguishing fires and rescuing citizens.
- **Police Patrols:** Deploy police cars and helicopters to maintain order and respond to emergencies on the included city playmat.
- **Construction Projects:** Utilize the construction vehicles like excavators and bulldozers to build and develop imaginary sites.

The included city playmat provides a dynamic backdrop for these activities, enhancing the play experience.

Maintenance

To ensure the longevity of your building blocks, follow these maintenance guidelines:

- **Cleaning:** Wipe blocks with a damp cloth and mild soap if necessary. Rinse thoroughly and air dry completely before storage. Do not use harsh chemicals or abrasive cleaners.
- **Storage:** Store the blocks in a clean, dry place away from direct sunlight and extreme temperatures. The original packaging or a dedicated storage container is recommended to prevent loss of small pieces.
- **Inspection:** Periodically inspect blocks for any signs of wear or damage. Discard any broken pieces to prevent potential hazards.

Troubleshooting

If you encounter any issues during assembly or play, consider the following:

- **Missing Pieces:** Double-check the packaging and surrounding area. If a piece is genuinely missing,

please contact Sawaruita customer support.

- **Difficulty Assembling:** Review the instruction manual carefully, paying close attention to the orientation and connection points of each block. Sometimes, a slight adjustment can make a big difference.
- **Loose Connections:** Ensure blocks are pressed firmly together until they click into place. If blocks remain loose, check for any debris or manufacturing defects.
