

Zadro LVANRG8

Zadro LVANRG8 LED Lighted Dual-Sided Vanity Mirror

Model: LVANRG8 | Brand: Zadro

IMPORTANT SAFETY INSTRUCTIONS

- Do not expose the mirror to direct sunlight. Concentrated sunlight can cause fire.
- Use with caution and keep away from flammable materials.
- Keep out of reach of children.
- Ensure batteries are inserted correctly according to polarity markings.
- Do not mix old and new batteries, or different types of batteries.
- Remove batteries if the mirror will not be used for an extended period.

PRODUCT FEATURES

The Zadro LVANRG8 LED Lighted Dual-Sided Vanity Mirror is designed for clarity and convenience, offering versatile magnification and bright illumination.

- **Dual Magnification:** Features one side with 8X magnification for detailed tasks and the other with 1X magnification for an overall view.
- **LED Lighting:** Equipped with bright, energy-efficient 6400K soft white LED lighting for optimal visibility.
- **Cordless Design:** Operates on 4 AAA standard batteries, providing portability and freedom from cords.
- **360° Endless Rotation:** The mirror head can rotate 360 degrees, allowing easy switching between magnifications and viewing angles.
- **Compact Size:** Designed as a countertop mirror with a 4.5-inch diameter circular base, a 7.5-inch wide mirror head, and a total height of 12.5 inches. The reflective surface is 5.25

inches in diameter.

Image: A visual representation of the mirror's key features: 8X and 1X magnification, battery operation, and 360-degree rotation capability.

SETUP

Battery Installation

1. Lay the mirror flat with the 8X mirror side facing upward.
2. Gently press down on the frame and rotate it approximately 1/2 inch counter-clockwise to unlock the frame. The frame should lift off easily.
3. Insert 4 AAA batteries into the battery compartment, ensuring correct polarity (+/-) as indicated.
4. Align the frame back onto the mirror head and rotate it clockwise approximately 1/2 inch until it locks securely into place.

OPERATION

1. **Turning On/Off:** Locate the on/off switch on the side of the mirror head. Slide the switch to the 'ON' position to activate the LED lights. Slide it to 'OFF' to turn off the lights.
2. **Switching Magnification:** To switch between 1X and 8X magnification, simply rotate the mirror head 360 degrees on its swivel.
3. **Adjusting Angle:** The mirror head can be tilted up or down to achieve your desired viewing angle.

MAINTENANCE

- **Cleaning the Mirror:** Use a soft, lint-free cloth and a non-abrasive glass cleaner to wipe the mirror surfaces. Do not spray cleaner directly onto the mirror; apply it to the cloth first.
- **Cleaning the Finish:** Wipe the rose gold finish with a soft, dry cloth. Avoid harsh chemicals or abrasive cleaners, which can damage the finish.
- **Battery Replacement:** Replace all 4 AAA batteries when the LED lights dim or stop working. Follow the battery installation steps in the Setup section.

TROUBLESHOOTING

- **Lights Not Turning On:**

- Check if the on/off switch is in the 'ON' position.
- Ensure batteries are correctly installed with proper polarity.
- Replace old or depleted batteries with new ones.
- **Lights Flickering:**
 - This often indicates low battery power. Replace all 4 AAA batteries.
- **Difficulty Opening Battery Compartment:**
 - Ensure you are rotating the frame approximately 1/2 inch counter-clockwise after pressing down gently. Avoid excessive force.

SPECIFICATIONS
