KAFF LYRA LR6

Kaff LYRA LR6 150 mm Exhaust Fan Instruction Manual

1. INTRODUCTION AND PRODUCT OVERVIEW

Thank you for choosing the Kaff LYRA LR6 150 mm Exhaust Fan. This manual provides essential information for the safe and efficient installation, operation, and maintenance of your new ventilating fan. Please read this manual thoroughly before use and retain it for future reference.

The Kaff LYRA LR6 is a modern exhaust fan designed for effective air extraction and powerful air delivery. It features a sleek black glass panel with an integrated LED light, enhancing both functionality and aesthetic appeal. This fan is suitable for various indoor environments, including kitchens, toilets, bathrooms, and other home areas requiring ventilation.

Key Features:

- Black glass panel with LED light.
- Parametrical air extraction and powerful air delivery.
- Suitable for Kitchen, Toilet, Bathroom, and general home ventilation.
- Window mount installation.
- Button control operation.

2. SAFETY INFORMATION

Please observe the following safety precautions to prevent injury or damage to the product:

- Ensure the power supply is disconnected before installation, maintenance, or cleaning.
- Installation should be performed by a qualified electrician in accordance with local electrical codes.
- Do not operate the fan with a damaged power cord or plug.
- Keep hands and foreign objects away from the fan blades during operation.
- This appliance is not intended for use by persons (including children) with reduced physical, sensory, or mental capabilities, or lack of experience and knowledge, unless they have been given supervision or instruction concerning use of the appliance by a person responsible for their safety.
- Do not use the fan in areas where flammable gases or vapors may be present.
- Ensure proper grounding to prevent electrical shock.

3. PACKAGE CONTENTS

Verify that all components are present and undamaged upon unpacking:

- Kaff LYRA LR6 150 mm Exhaust Fan unit

- Fan Blade (included within the unit)
- Instruction Manual (this document)
- Mounting screws (may be included, refer to packaging)

4. SPECIFICATIONS

Feature	Specification
Brand	KAFF
Model Name	LYRA LR6
Colour	Black
Electric Fan Design	Exhaust Fan
Power Source	Electric
Style	Modern
Product Dimensions (D x W x H)	15.5D x 20W x 19.6H Centimeters
Room Type	Bathroom, Kitchen, Toilet, Home
Special Feature	LED Light
Wattage	25 Watts
Finish Type	Brushed
Speed	2100 RPM
Voltage	220 Volts
Switch Type / Control Method	Push Button / Button Control
Installation Type	Window Mount
Item Weight	1 kg 330 g
Coverage Area	160 sq.ft. (approx.)

5. INSTALLATION GUIDE

The Kaff LYRA LR6 Exhaust Fan is designed for window mount installation. Proper installation is crucial for optimal performance and safety.

5.1 Pre-Installation Checks:

- Ensure the mounting surface (window or wall) is sturdy and can support the fan's weight.
- Verify that the electrical supply matches the fan's voltage requirements (220-240 volts).
- Confirm the availability of a suitable power outlet near the installation site.
- Measure the opening to ensure it accommodates the fan dimensions. The fan measures approximately 199x199mm for the main body.

5.2 Dimensional Diagrams:

This diagram illustrates the side profile of the exhaust fan, showing key dimensions: C (front panel depth), D (main body depth), and E (height of the main body).

This diagram shows the front view of the exhaust fan, indicating dimensions A (overall width/height of the front panel) and B (width/height of the main fan body).

5.3 Installation Steps:

1. **Prepare the Opening:** Create an opening in the window or wall that matches the fan's dimensions (refer to diagrams for precise measurements). Ensure the opening is clean and free of debris.
2. **Mount the Fan:** Carefully insert the fan into the prepared opening. Secure the fan using appropriate screws (provided or purchased separately) through the designated mounting holes. Ensure the fan is level and firmly attached.
3. **Electrical Connection:** Connect the fan's electrical wiring to the main power supply. This step must be performed by a qualified electrician. Ensure all connections are secure and insulated.
4. **Test Operation:** Once installed and wired, restore power and test the fan's operation using the button control.

6. OPERATION

The Kaff LYRA LR6 Exhaust Fan is operated via a simple button control.

- **Power On/Off:** Press the button to turn the fan on or off.
- **LED Light:** The integrated LED light will illuminate when the fan is in operation, providing ambient lighting.
- The fan operates at a single speed of 2100 RPM for consistent ventilation.

7. MAINTENANCE

Regular cleaning and maintenance will ensure the longevity and efficient performance of your exhaust fan.

7.1 Cleaning the Fan:

- **Disconnect Power:** Always ensure the fan is switched off and disconnected from the power supply before cleaning.
- **Dismantle Blades:** The fan blades are designed for quick and easy dismantling for cleaning. Carefully remove the front panel and then the blades.
- **Clean Components:** Use a soft, damp cloth with a mild detergent to wipe down the fan blades, housing, and front panel. Avoid abrasive cleaners or solvents.
- **Dry Thoroughly:** Ensure all components are completely dry before reassembling.
- **Reassemble:** Carefully reattach the fan blades and front panel. Ensure they are securely in place.

8. TROUBLESHOOTING

If you encounter issues with your Kaff LYRA LR6 Exhaust Fan, refer to the following common troubleshooting steps:

- **Fan Not Turning On:**
 - Check if the power supply is connected and the circuit breaker has not tripped.
 - Ensure the button control is functioning correctly.
- **Reduced Airflow:**
 - Inspect the fan blades and grille for dust and debris accumulation. Clean as per maintenance instructions.
 - Ensure there are no obstructions in the ventilation path.
- **Unusual Noise:**
 - Check for loose components or foreign objects caught in the fan blades.
 - Ensure the fan is securely mounted and not vibrating against the mounting surface.

If the problem persists after attempting these steps, please contact customer support.

9. WARRANTY AND CUSTOMER SUPPORT

The Kaff LYRA LR6 Exhaust Fan comes with a **2-year warranty** on the product, covering manufacturing defects from the date of purchase.

For warranty claims, technical assistance, or any other inquiries, please contact KAFF customer support:
