Bright Air 900483

Bright Air Super Odor Eliminator Instruction Manual

Model: 900483 | Scent: Cool Citrus (Pet)

1. Introduction

Thank you for choosing the Bright Air Super Odor Eliminator. This product is designed to continuously fight unwanted odors in your home or office, providing a fresh and clean environment. Our plant-based gel, infused with natural essential oils, offers a cool citrus scent that lasts for an extended period.

2. Product Features

- **Continuous Odor Elimination:** Solid gel formula actively tackles unwanted pet odors from dogs, cats, small animals, and aquariums, providing 24/7 freshness.
- **Long-Lasting Scent:** Each 14 oz jar delivers a refreshing Cool Citrus fragrance, a sparkling blend of lemon and lime, for up to 90 days.
- **Nature-Inspired Formula:** Infused with natural essential oils in a cruelty-free, plant-based gel. Free from phthalates, triclosan, and BHT.
- **Versatile Placement:** Safe and effective for use in medium-sized spaces such as kitchens, bathrooms, and basements. Ideal for areas near pet beds, litter boxes, and cages.
- **Convenient Design:** Comes in a 6-pack of 14 oz BPA-free jars with venting lids, allowing easy monitoring of gel reduction for timely replacement. Containers are recyclable and reusable.

3. Setup and First Use

1. **Unscrew Lid:** Carefully unscrew the top lid from the Bright Air Super Odor Eliminator jar.
2. **Remove Liner:** Locate and remove the protective liner or seal from the top of the gel. This liner ensures freshness until first use.
3. **Replace Lid:** Screw the vented lid back onto the jar. Ensure it is securely fastened.

4. **Placement:** Place the opened jar in your desired location where air circulates for maximum freshness. No batteries, plugs, or sprays are required.

Figure 3.1: Unboxing and preparing the Bright Air Super Odor Eliminator. The image shows the jar with its vented lid removed, revealing the gel inside, and the separate vented lid.

Figure 3.2: The vented lid allows for continuous odor elimination and a quick visual check of the gel level to determine when replacement is needed.

4. Operating Instructions

The Bright Air Super Odor Eliminator operates passively, continuously releasing its refreshing scent and absorbing unwanted odors. No active operation or power source is needed.

- For optimal performance, ensure the jar is placed in an area with good air circulation.
- The product is effective in medium-sized rooms. For larger spaces or areas with very strong odors, consider using multiple units.

Figure 4.1: The odor eliminator is designed to last up to 90 days, providing continuous freshness in your living spaces.

Figure 4.2: This product works effectively anywhere pets go, including near dog beds, pet cages, litter boxes, and entryways.

Video 4.1: This official video from Bright Air demonstrates the effectiveness of the Pet Super Odor Eliminator in various household settings, highlighting its plant-based gel and long-lasting cool citrus scent.

5. Maintenance and Replacement

The gel will gradually diminish as it releases fragrance and absorbs odors. The venting lid allows you to easily see when the gel has reduced.

- **Gel Level Check:** Periodically check the gel level through the clear jar and vented lid.
- **Replacement:** When the gel has significantly reduced or the scent is no longer noticeable (typically up to 90 days), it is time to replace the unit.
- **Disposal:** The BPA-free container can be recycled or repurposed after the gel is fully consumed.

Figure 5.1: The product is available in a convenient 6-pack, ensuring you always have a replacement ready.

6. Safety Information

Please read and follow all safety instructions to ensure safe use of the product.

- Keep out of reach of children and pets.
- Avoid direct contact with eyes and skin. In case of contact, rinse thoroughly with water.
- Do not ingest. If swallowed, seek medical attention immediately.
- Use in well-ventilated areas.
- Do not place near heat sources or in direct sunlight, as this may affect product performance and longevity.

Figure 6.1: The Bright Air formula is safe for use around children and pets when used as directed, being free from phthalates, triclosan, and BHT.

Figure 6.2: Detailed safety information and ingredients are provided on the product label for user reference. For more information, visit www.bright-air.com.

7. Troubleshooting

Problem	Possible Cause	Solution
Scent is not noticeable.	Gel has diminished or is too old. Room size is too large for one unit. Poor air circulation.	Replace the unit. Use multiple units for larger spaces. Relocate the unit to an area with better airflow.
Gel dries out quickly.	Product placed in direct sunlight or near heat source. Extremely dry environment.	Relocate the unit to a cooler, shaded area. This is normal product behavior in dry conditions. Replace as needed.
Odor persists.	Source of odor is too strong or continuous. Unit is not properly placed.	Address the source of the odor directly (e.g., clean litter box). Ensure proper placement for optimal air circulation. Consider using multiple units.

8. Specifications

Product Name: Bright Air Super Odor Eliminator

Model Number: 900483

Scent: Cool Citrus (Pet)

Item Form: Solid Gel

Net Weight (per jar): 14 oz (397g)

Pack Size: 6 jars

Product Dimensions: 11.56 x 4.5 x 7.75 inches (overall for 6-pack)

Item Weight: 1 pound (overall for 6-pack)

Manufacturer: BPG International, Inc.

Longevity: Up to 90 days per jar (varies by environment)

Batteries Required: No
