Meridian M70067NB Pendant Light Instruction Manual

Model: M70067NB

INTRODUCTION

This manual provides detailed instructions for the safe installation, operation, and maintenance of your Meridian M70067NB 1-Light 60 Watt Natural Brass Pendant. Please read this manual thoroughly before beginning installation and retain it for future reference.

IMPORTANT SAFETY INFORMATION

WARNING: Risk of electric shock. Disconnect power at the fuse box or circuit breaker before installation or servicing. Consult a qualified electrician if you are unsure about the installation process.

- Ensure all electrical connections comply with local codes and ordinances, as well as the National Electric Code (NEC).
- This fixture is intended for indoor use only.
- Do not exceed the maximum wattage specified for the bulb.
- Handle glass components with care to prevent breakage.
- Keep flammable materials away from the light fixture.

PACKAGE CONTENTS

Verify that all components are present before beginning installation:

- Pendant Fixture (Natural Brass finish, Clear Glass shade)
- Mounting Hardware (Canopy, Mounting Plate, Screws, Wire Nuts)
- Instruction Manual

Figure 1: Meridian M70067NB Pendant Light. This image displays the complete pendant light fixture, featuring a natural brass finish rod and canopy, with a clear glass globe shade enclosing the bulb socket.

SETUP AND INSTALLATION

Follow these steps to install your pendant light fixture:

1. **Turn Off Power:** Locate the circuit breaker or fuse box that supplies power to the installation location and turn off the power.
2. **Prepare Mounting:** Attach the mounting plate to the junction box in the ceiling using the provided screws. Ensure it is securely fastened.
3. **Wire Connections:**
 - Connect the fixture's **black** wire to the household's **black** (hot) wire.
 - Connect the fixture's **white** wire to the household's **white** (neutral) wire.

- Connect the fixture's **ground** wire (bare copper or green) to the household's **ground** wire and to the mounting plate's ground screw.
 - Secure all connections with wire nuts and electrical tape.
4. **Mount Canopy:** Carefully push the canopy up to the ceiling, aligning the mounting holes with the screws on the mounting plate. Secure the canopy with the decorative nuts or screws provided.
 5. **Install Glass Shade:** Carefully attach the clear glass shade to the fixture body. Ensure it is seated properly and secured according to the fixture design (e.g., by threading a ring or using retention clips).
 6. **Install Bulb:** Screw in one incandescent bulb (not included) into the socket. Do not exceed 60 watts.
 7. **Restore Power:** Turn the power back on at the circuit breaker or fuse box.

Figure 2: Side view of the Meridian M70067NB Pendant Light. This image highlights the elongated rod and the spherical clear glass shade, providing a different perspective of the fixture's design.

OPERATING INSTRUCTIONS

Once installed and power is restored, the Meridian M70067NB Pendant Light operates via a standard wall switch (not included). There is no integrated switch on the fixture itself.

- **To Turn On:** Flip the wall switch connected to the fixture to the "ON" position.
- **To Turn Off:** Flip the wall switch connected to the fixture to the "OFF" position.

MAINTENANCE

Regular maintenance ensures the longevity and optimal performance of your pendant light.

- **Cleaning:**
 - Always disconnect power before cleaning.
 - Wipe the natural brass finish with a soft, dry cloth. Do not use abrasive cleaners or polishes, as they may damage the finish.
 - Clean the glass shade with a soft, damp cloth and a mild glass cleaner. Dry thoroughly.
- **Bulb Replacement:**
 - Turn off power at the circuit breaker before replacing the bulb.
 - Allow the bulb to cool completely before touching it.
 - Unscrew the old bulb and screw in a new incandescent bulb. Ensure the replacement bulb does not

exceed 60 watts.
