AKG Y100 Wireless Headphones User Manual

Model: AKG Y100 GP-Y100HAHHBAB

INTRODUCTION

Experience clear, defined sound wherever you go with the AKG Y100 wireless in-ear headphones. Designed to be lightweight and comfortable, you'll barely notice you're wearing them. The AKG Y100 allows you to immerse yourself in music and seamlessly manage calls. With its long-lasting battery, these headphones are engineered to be your essential audio companion throughout the day.

WHAT'S IN THE BOX

Please check that all items listed below are included in your package:

- AKG Y100 Wireless Headphones
- USB Charging Cable
- Carrying Pouch
- Multiple sizes of ear tips (pre-installed or in pouch)

Image: Contents of the AKG Y100 package, including the headphones, a USB charging cable, and a black carrying pouch.

PRODUCT OVERVIEW

Familiarize yourself with the components and controls of your AKG Y100 headphones.

Image: A detailed view of the inline remote control on the AKG Y100 headphones, featuring volume up/down buttons and a central multi-function button.

Image: A close-up of the AKG Y100 earbuds, highlighting their magnetic backs which allow them to clip together for secure storage.

Key Components:

- **Earbuds:** In-ear design for comfortable fit and sound isolation. Feature magnetic backs for secure storage around the neck.
- **Neckband:** Flexible and lightweight band that rests around your neck.
- **Inline Remote Control:** Located on the cable, providing access to volume, playback, and call functions.
- **Microphone:** Integrated into the remote for hands-free calls.
- **Charging Port:** Micro USB port for recharging the headphones.

SETUP

1. Charging the Headphones

1. Locate the Micro USB charging port on the inline remote control.
2. Connect the provided USB charging cable to the headphones and a power source (e.g., computer USB port, USB wall adapter).

3. The LED indicator will illuminate to show charging status.
4. A full charge typically takes approximately 2 hours. The LED indicator will change or turn off once charging is complete.

2. Bluetooth Pairing

1. **Power On:** Press and hold the multi-function button on the inline remote until the LED indicator flashes, indicating the headphones are powered on.
2. **Enter Pairing Mode:** Continue holding the multi-function button (or press and hold again if already on) until the LED indicator flashes rapidly, usually alternating blue and red, signifying pairing mode.
3. **Activate Bluetooth on Your Device:** Go to the Bluetooth settings on your smartphone, tablet, or other audio device.
4. **Select "AKG Y100":** From the list of available devices, select "AKG Y100" to connect.
5. **Confirmation:** Once successfully paired, the LED indicator on the headphones will typically show a solid blue light or flash slowly, and you may hear an audible confirmation.
6. **Reconnect:** The headphones will automatically attempt to reconnect to the last paired device when powered on.

OPERATING INSTRUCTIONS

The inline remote control provides easy access to various functions.

Power On/Off

- **Power On:** Press and hold the multi-function button for approximately 2-3 seconds.
- **Power Off:** Press and hold the multi-function button for approximately 3-5 seconds.

Music Playback

- **Play/Pause:** Press the multi-function button once.
- **Next Track:** Press and hold the Volume Up (+) button for 2 seconds.
- **Previous Track:** Press and hold the Volume Down (-) button for 2 seconds.
- **Volume Up:** Press the Volume Up (+) button.
- **Volume Down:** Press the Volume Down (-) button.

Call Management

- **Answer/End Call:** Press the multi-function button once.
- **Reject Call:** Press and hold the multi-function button for 2 seconds.
- **Activate Voice Assistant:** Double-press the multi-function button (functionality depends on your connected device).

MAINTENANCE

Proper care will extend the life and performance of your headphones.

- **Cleaning:** Gently wipe the earbuds and neckband with a soft, dry, lint-free cloth. Do not use harsh chemicals or abrasive materials.
- **Ear Tips:** Remove ear tips periodically and clean them with a damp cloth. Ensure they are completely dry before reattaching.
- **Storage:** When not in use, store the headphones in the provided carrying pouch to protect them from dust and damage. The magnetic earbuds help keep them tangle-free.
- **Avoid Moisture:** Do not expose the headphones to excessive moisture, rain, or liquids.

- **Temperature:** Avoid storing or using the headphones in extreme temperatures.

TROUBLESHOOTING

Problem	Possible Solution
Headphones do not power on.	Ensure the headphones are fully charged. Connect to a power source using the USB cable.
Cannot pair with device.	Ensure headphones are in pairing mode (rapidly flashing LED). Turn off and on Bluetooth on your device. Move headphones closer to your device. Clear previous Bluetooth connections on your device and try pairing again.
No sound or low volume.	Check volume levels on both the headphones and your connected device. Ensure headphones are properly paired and connected. Try restarting both the headphones and your device.
Intermittent connection.	Ensure there are no obstructions between the headphones and your device. Move away from other wireless devices that may cause interference. Ensure your device is within the Bluetooth operating range.
