Queenwill RST3041B

Queenwill Electric Handheld Hair Massager

Model: RST3041B

Introduction

Thank you for choosing the Queenwill Electric Handheld Hair Massager. This device is designed to provide a relaxing and refreshing scalp massage, helping to stimulate your scalp, relieve tension, and promote overall hair vitality. Its portable, water-resistant design allows for versatile use, both dry and during shampooing for deep cleansing. Please read this manual thoroughly before use to ensure proper operation and maintenance.

Important Safety Information

For external use only. Consult a healthcare professional before use if you have any skin conditions or sensitive skin. Keep out of reach of children.
Do not immerse the entire device in water; it is designed to be water-resistant for shower use, but not fully submersible.
Ensure the battery compartment is securely closed before exposing the device to water.

Package Contents

- 1X Queenwill Electric Handheld Hair Scalp Massager
- 1X User Manual (this document)
- 1X Screwdriver (for battery compartment)

Setup

1. **Battery Installation:**

   Locate the battery compartment on the underside of the massager. Use the provided screwdriver to open the compartment. Insert one AA battery, ensuring correct polarity (+/-). Close the compartment securely with the screwdriver.

Operating Instructions

1. **Power On/Off and Mode Selection:**

   Press the ON/OFF button once to activate the massager in **Regular Mode**. Press the button a second time to switch to **Pulse Mode**. Press the button a third time to turn the device off.

2. **Usage:**

   Hold the massager by its ergonomic handle and gently place the vibrating comb on your scalp. Move the massager in small, circular motions across your entire scalp. The device is designed to automatically shut off after 5 minutes for safety and to prevent overuse.

3. **Wet or Dry Use:**

   The massager is water-resistant and can be used on dry hair or in the shower. For deep cleansing, use it with shampoo to gently exfoliate the scalp. For stimulating hair growth, apply your favorite nourishing oil or hair growth serum directly to the scalp before using the massager.

Image: Demonstrates both dry application with hair oil and wet use during shampooing.

Maintenance

- **Cleaning:** The massage head is detachable for easy cleaning. Separate the head from the main body and rinse it under running water. Use a mild soap if necessary. Ensure the head is completely dry before reattaching.
- **Storage:** Store the massager in a cool, dry place away from direct sunlight.
- **Battery Replacement:** Replace the AA battery when the vibration intensity decreases significantly.

Troubleshooting

- **Device does not turn on:**
  - Ensure the AA battery is correctly installed with proper polarity.
  - Replace the battery with a new one if it is depleted.
  - Check that the massage head is securely attached to the main body.
- **Weak vibration:**
  - The battery may be low. Replace it with a fresh AA battery.
- **Unusual noise during operation:**
  - Ensure all parts are correctly assembled and securely fastened.
  - If the issue persists, discontinue use and contact customer support.

Specifications

Model Number	RST3041B
Brand	Queenwill
