Logitech M110

Logitech M110 Wired USB Silent Mouse User Manual

Model: M110 (Part Number: 910-005490)

1. INTRODUCTION

The Logitech M110 Wired USB Silent Mouse provides a comfortable, reliable, and quiet computing experience. Designed for both PC and Mac users, this ambidextrous mouse features silent buttons, offering a 90% noise reduction compared to traditional mice, while maintaining the familiar click feel. Its plug-and-play functionality ensures easy setup without the need for software installation.

2. PACKAGE CONTENTS

Verify that all items are present in your product package:

- Logitech M110 Wired USB Silent Mouse
- User Documentation

3. SETUP INSTRUCTIONS

The Logitech M110 mouse is designed for simple plug-and-play installation. No additional software or drivers are required.

1. **Connect the USB Cable:** Locate an available USB port on your computer (PC or Mac).
2. **Insert the USB Connector:** Plug the USB connector of the Logitech M110 mouse firmly into the USB port.
3. **System Recognition:** Your operating system will automatically detect and install the necessary drivers for the mouse. This process typically takes a few seconds.
4. **Begin Use:** Once recognized, the mouse is ready for immediate use.

4. OPERATING THE MOUSE

The Logitech M110 features a standard three-button design with a scroll wheel, providing intuitive control for various tasks.

- **Left Click Button:** Used for selecting items, opening files, and executing commands. The silent click mechanism reduces audible noise by over 90% while retaining tactile feedback.
- **Right Click Button:** Used to access contextual menus and additional options. This button also features silent click technology.
- **Scroll Wheel:**
 - **Scrolling:** Roll the wheel up or down to navigate through documents, web pages, and applications.
 - **Middle Click:** Pressing the scroll wheel acts as a middle click button, often used for opening links in new tabs or other application-specific functions.

5. KEY FEATURES

- **Silent Clicks:** Experience a quiet working environment with over 90% noise reduction on button clicks, without compromising the familiar click feel.
- **Ambidextrous Design:** The symmetrical shape of the M110 mouse is designed to fit comfortably in both right and left hands, ensuring ergonomic use for all users.
- **Optical Tracking:** Enjoy smooth and precise cursor control with 1000 DPI optical tracking, suitable for various surfaces.
- **Wired Reliability:** A stable USB wired connection ensures consistent performance without concerns about battery life or wireless interference.

- **Plug-and-Play:** No software installation required; simply plug the USB cable into your computer and start using the mouse immediately.

6. TECHNICAL SPECIFICATIONS

Brand	Logitech
Model	M110
Part Number	910-005490
Connectivity Technology	Wired USB
Movement Detection Technology	Optical
DPI (Dots Per Inch)	1000 DPI
Special Feature	Silent Buttons (90% noise reduction)
Design	Ambidextrous, Full-Size
Compatible Operating Systems	Windows, macOS, Linux
Item Weight	3.17 ounces (90 grams)
Product Dimensions (LxWxH)	4.96 x 3.27 x 7.87 inches (12.6 x 8.3 x 20 cm)
Color	Grey (as reviewed, other colors available)

7. MAINTENANCE

To ensure optimal performance and longevity of your Logitech M110 mouse, follow these simple maintenance guidelines:

- **Cleaning:** Use a soft, lint-free cloth slightly dampened with water or an electronics-safe cleaning solution to wipe the surface of the mouse. Avoid harsh chemicals or abrasive materials.
- **Optical Sensor:** Periodically inspect the optical sensor on the underside of the mouse for dust or debris. Use a soft brush or compressed air to gently clean the sensor area if necessary.
- **Cable Care:** Avoid sharply bending or twisting the USB cable. Store the mouse in a way that prevents the cable from being crimped or damaged.

8. TROUBLESHOOTING

If you encounter issues with your Logitech M110 mouse, try the following troubleshooting steps:

- **Mouse Not Responding:**
 - Ensure the USB cable is securely plugged into a working USB port on your computer.
 - Try plugging the mouse into a different USB port.
 - Restart your computer.
- **Erratic Cursor Movement:**
 - Clean the optical sensor on the underside of the mouse.
 - Ensure you are using the mouse on a suitable surface. Highly reflective or transparent surfaces may affect tracking performance. A mouse pad is recommended.
- **Buttons or Scroll Wheel Not Working:**
 - Verify the mouse is properly connected.
 - Test the mouse on another computer to determine if the issue is with the mouse or the computer's settings.

9. WARRANTY AND SUPPORT

The Logitech M110 Wired USB Silent Mouse typically comes with a **3-year limited hardware warranty**. For detailed warranty information, please refer to the warranty card included with your product or visit the official Logitech support website.

For further assistance, technical support, or to access drivers and software (if applicable), please visit the Logitech support website: support.logi.com.
